

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mahendra & Kokilaben Patel  
DOCKET NO.: 22-55834.001-R-1  
PARCEL NO.: 18-19-100-014-0000

The parties of record before the Property Tax Appeal Board are Mahendra & Kokilaben Patel, the appellants, by attorney William I. Sandrick, of Sandrick Law Firm, LLC in Homewood; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$32,402  
**IMPR.:** \$45,848  
**TOTAL:** \$78,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of masonry exterior construction with 5,591 square feet of living area. The dwelling is approximately 35 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a 3.5-car garage. The property has a 44,693 square foot site and is located in Burr Ridge, Lyons Township, Cook County. The subject is classified as a class 2-09 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants' appeal is based on overvaluation. In support of this argument the appellants submitted evidence disclosing the subject property was purchased on July 29, 2020 for a price of \$782,500. The appellants reported that the seller was Lakeside Bank, the parties to the transaction were not related, and the property was sold through a realtor. The appellants also indicated the property was advertised for sale through the Multiple Listing Service for a period

of 154 days. In further support of the appeal, the appellants submitted a copy of listing information and a closing statement which list the sale price of \$782,500, a settlement date of July 29, 2020, and depict commissions being distributed to Coldwell Banker Residential. The appellants also submitted an illegible copy of the settlement statement.

The Board takes judicial notice that this property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 21-54090.001-R-1 where the appellants were the same and the property was also reported to be owner-occupied as it is in this 2022 appeal. In the 2021 appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$78,250 based on the evidence submitted by the parties.

Based on this evidence, the appellants requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,516. The subject's assessment reflects a market value of \$1,135,160 or \$203.03 per square foot of living area, land included, when using the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance. The board of review also disclosed that 2020 was the first year of the general assessment period.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood, one of which is .25 of a mile from the subject. The comparables consist of 2-story class 2-09 dwellings of stucco, masonry, or frame and masonry exterior construction ranging in size from 5,233 to 6,667 square feet of living area. The dwellings range from 19 to 34 years old. Each dwelling has central air conditioning, two to five fireplaces, a basement with three having finished area, and a 3-car or 4-car garage. The parcels range in size from 25,000 to 233,259 square feet of land area. The comparables sold from January 2020 to May 2022 for prices ranging from \$1,025,000 to \$3,100,000 or from \$163.32 to \$554.56 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the

remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2021 tax year under Docket No. 21-54090.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's assessment to \$78,250. The record indicates that the subject property is an owner-occupied dwelling. The Board also finds that the 2021 and 2022 tax years are within the same general assessment period and no equalization factor was applied in Lyons Township in 2022. Furthermore, the decision of the Property Tax Appeal Board for the 2021 tax year has not yet been reversed or modified upon review and there was no evidence the subject property recently sold as of the January 1, 2022 assessment date in order to establish a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code results in a reduced total assessment of \$78,250.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
