

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Theodosis
DOCKET NO.: 22-56081.001-R-1
PARCEL NO.: 04-20-400-043-0000

The parties of record before the Property Tax Appeal Board are George Theodosis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,397
IMPR.: \$38,069
TOTAL: \$50,466

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,858 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a concrete slab foundation, central air conditioning, two fireplaces, and a 3-car garage. The property has an 8,855 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on eight equity comparables located within the subject's assessment neighborhood and within .13 of a mile of the subject. The comparables consist of 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in size from 2,359 to 3,414 square feet of living area. The homes

range in age from 47 to 55 years old. Each dwelling has one or two fireplaces, a full or partial basement, and a 2-car garage. Six comparables have central air conditioning. The comparables have improvement assessments ranging from \$30,706 to \$48,342 or from \$10.93 to \$14.29 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$38,069 or \$13.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$56,239. The subject property has an improvement assessment of \$43,842 or \$15.34 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood, three of which are within the same block as the subject. The comparables consist of 2-story class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 3,402 to 3,615 square feet of living area. The homes range from 7 to 50 years old. Each dwelling has central air conditioning, a full basement, and a 2-car or 3-car garage. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$57,766 to \$77,968 or from \$16.24 to \$22.92 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of 12 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #2, #3, #6, and #7, which differ from the subject in dwelling size and/or lack central air conditioning, a feature of the subject. The Board also gives less weight to the comparables submitted by the board of review, which differ from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #4, #5, and #8, which are similar to the subject in age, location, dwelling size, and features, noting each of the comparables features a partial basement in contrast to the subject's concrete slab foundation suggesting downward adjustments would be necessary to make the comparables more equivalent to the subject. These comparables have improvement assessments that range from \$31,000 to \$37,886 or from \$10.93 to \$14.29 per square foot of living area. The subject's improvement assessment of \$43,842 or \$15.34 per square foot of living area is above the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the

appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
