

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Tryfonopoulos
DOCKET NO.: 22-56093.001-R-1
PARCEL NO.: 04-20-202-036-0000

The parties of record before the Property Tax Appeal Board are Peter Tryfonopoulos, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,295
IMPR.: \$41,416
TOTAL: \$55,711

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,827 square feet of living area. The dwelling is 48 years old. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 2-car garage.¹ The property has a 10,211 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and from .03 of a mile to 1.1 miles from the subject. The comparables consist of 2-story class 2-78 dwellings of frame and masonry exterior construction ranging in

size from 2,798 to 3,084 square feet of living area. The homes range in age from 17 to 51 years old. Each dwelling has central air conditioning, a fireplace, a full or partial basement with one having finished area, and a 2-car or 3-car garage. The parcels range in size from 9,056 to 11,256 square feet of land area. The comparables sold from January 2020 to May 2022 for prices ranging from \$410,000 to \$505,000 or from \$138.33 to \$178.51 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$44,828, for an estimated market value of \$448,280 or \$158.57 per square foot of living area, including land, when applying the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$55,711. The subject's assessment reflects a market value of \$557,110 or \$197.07 per square foot of living area, land included, when using the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on three comparables located within the subject's assessment neighborhood and within the same block as the subject. The comparables consist of 2-story class 2-78 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,360 to 2,814 square feet of living area. The dwellings range in age from 45 to 50 years old. Each dwelling has central air conditioning, a full or partial basement, and a 2-car garage. Two comparables each have a fireplace. The parcels range in size from 9,987 to 11,186 square feet of land area. Two comparables sold in March 2019 and December 2021 for prices of \$650,000 to \$712,000 or for \$230.99 and \$301.69 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #2 and board of review comparable #3, which sold less proximate to the January 1, 2022 assessment date at issue than other comparables in the record. The Board also gives less weight to the appellant's comparable #3, which differs from the subject in age and is located more than one mile from the subject. The Board gives no weight to board of review comparable #1, for which no sale information was provided.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #4 along with board of review comparable sale #2, which sold most proximate to the assessment date at issue and are similar to the subject in age and somewhat similar in dwelling size, and

features. These comparables sold from July 2020 to December 2021 for prices ranging from \$442,500 and \$712,000 or \$143.48 to \$301.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$557,110 or \$197.07 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
