

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roman Tutunikov
DOCKET NO.: 22-56779.001-R-1
PARCEL NO.: 04-17-421-004-0000

The parties of record before the Property Tax Appeal Board are Roman Tutunikov, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,524
IMPR.: \$62,476
TOTAL: \$97,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 4,579 square feet of living area. The dwelling is approximately 38 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 3-car garage. The property has a 23,016 square foot site and is located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject and from 437 feet to 1.1 mile from the subject. The parcels range in size from 12,000 to 22,000 square feet of land area and are improved with 2-story, class 2-08 homes of masonry or frame and masonry exterior construction ranging in size from 3,904 to

4,613 square feet of living area. The dwellings range in age from 23 to 42 years old. Each home has a basement, central air conditioning, a fireplace, and a 2-car garage. The comparables sold from May 2020 to February 2022 for prices ranging from \$760,000 to \$810,000 or from \$171.26 to \$198.51 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$97,000. The subject's assessment reflects a market value of \$970,000 or \$211.84 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject, two of which are on the same block or 0.25 of a mile from the subject. The parcels range in size from 12,015 to 18,282 square feet of land area and are improved with 2-story, class 2-08 homes of masonry or frame and masonry exterior construction ranging in size from 4,047 to 4,606 square feet of living area. The dwellings range in age from 34 to 39 years old. Each home has a basement, two of which have finished area, central air conditioning, one or two fireplaces, and a 2-car or a 3-car garage. The comparables sold from March to August 2022 for prices ranging from \$990,000 to \$1,375,000 or from \$244.63 to \$298.52 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #4 and the board of review's comparables #3 and #4, which sold less proximate in time to the assessment date than the other sales in this record and/or have finished basement area unlike the subject. The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #1 and #2, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, and features, although these comparables have smaller sites than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables sold for prices ranging from \$760,000 to \$1,125,000 or from \$180.22 to \$245.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$970,000 or \$211.84 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
