

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Alexis
DOCKET NO.: 22-56806.001-R-1
PARCEL NO.: 04-34-415-030-0000

The parties of record before the Property Tax Appeal Board are Frank Alexis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,097
IMPR.: \$55,803
TOTAL: \$70,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,881 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 2-car garage. The property has a 9,436 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject and from 0.5 of a mile to 1.2 miles from the subject. The parcels range in size from 8,450 to 9,900 square feet of land area and are improved with 2-story homes of frame, masonry, or frame and masonry exterior construction ranging in size from 1,238

to 3,885 square feet of living area. The dwellings range in age from 66 to 101 years old. Each home has a basement, one of which has finished area, central air conditioning, and a 2-car garage. Three homes have a fireplace. The comparables sold from July 2020 to May 2022 for prices ranging from \$425,500 to \$669,900 or from \$147.15 to \$413.57 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,999. The subject's assessment reflects a market value of \$799,990 or \$206.13 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on one comparable sale¹ located within the same assessment neighborhood code as the subject. The comparable has an 8,773 square foot site that is improved with a 2-story home of frame and masonry exterior construction with 3,415 square feet of living area. The dwelling is 70 years old and features a basement with finished area, central air conditioning, and a 2-car garage. This property sold in January 2021 for a price of \$669,900 or \$196.16 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4, which sold less proximate in time to the assessment date than the other sales in this record, and to the appellant's comparable #3, which is a significantly smaller home than the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparable, which sold proximate in time to the assessment date and are relatively similar to the subject in dwelling size, age, location, site size, and features, although one comparable lacks finished basement area that is a feature of the subject, suggesting an upward adjustment to this comparable would be needed to make it more equivalent to the subject. These comparables sold for prices of \$620,000 and \$669,900 or \$198.40 and \$196.16 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$799,990 or \$206.13 per square foot of living area, including land, which is above the two best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is justified.

¹ The board of review presented four comparables but reported sale data for only one comparable.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
