

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: CRISTINA NAPOLES
DOCKET NO.: 22-57625.001-R-1
PARCEL NO.: 18-13-228-029-0000

The parties of record before the Property Tax Appeal Board are CRISTINA NAPOLES, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,325
IMPR.: \$16,184
TOTAL: \$18,509

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,720 square foot parcel of land improved with a two-story, frame, multi-family dwelling containing 2,312 square feet of building area. The property is located in Summit, Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted data on five suggested comparables. These comparables are described as frame, multi-family dwellings. They range: in age from 92 to 124 years; in size from 2,464 to 2,728 square feet of building area; and in improvement assessment from \$5.36 to \$5.91 per square foot of building area. The petition discloses the subject is an owner-occupied residence. The appellant lists the subject's age as 102 years old.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$21,238 with an improvement assessment of \$18,913 or \$8.18 per square foot of building area.

In support of the current assessment, the board of review submitted data on four suggested comparables. These comparables are described as one and one-half or two-story, frame or frame and masonry, multi-family dwellings. They range: in age from 47 to 100 years; in size from 2,172 to 2,592 square feet of building area; and in improvement assessment from \$13.74 to \$18.19 per square foot of building area. The Board lists the subject's age as 12 years old.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments ranging of \$5.36 to \$5.91 per square foot of building area. The remaining comparables received less weight due to differences in location. In comparison the subject's improvement assessment of \$8.18 per square foot of building area is above the range of the best comparables in this record. However, the Board finds the board of review's evidence supports the subject's age as 12 years. The subject's age is significantly new than the comparables and, therefore, the subject should be assessed higher than the comparables to account for this superior characteristic. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvements is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
