

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Arroyo Raso
DOCKET NO.: 22-58137.001-R-1
PARCEL NO.: 19-01-112-021-0000

The parties of record before the Property Tax Appeal Board are David Arroyo Raso, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,441
IMPR.: \$16,666
TOTAL: \$20,107

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3-story multi-family dwelling of masonry exterior construction with 2,844 square feet of living area. The dwelling is approximately 108 years old and features an unfinished basement. The property has an approximately 3,441 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 3-story class 2-11 multi-family dwellings of masonry exterior construction ranging in size from 2,734 to 2,943 square feet of living area. The homes range in age from 99 to 104 years old. One comparable has a basement, one has a concrete slab foundation and two dwelling each have a crawl space foundation. Three comparables each have

a 2-car garage. The comparables have improvement assessments ranging from \$15,925 to \$17,000 or from \$5.75 to \$6.22 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$13,704 or \$4.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$20,107. The subject property has an improvement assessment of \$16,666 or \$5.86 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code as the subject property. Board of review comparable #3 is the same property as the appellant's comparable #3. The comparables are improved with 3-story class 2-11 multi-family dwellings of masonry exterior construction ranging in size from 2,760 to 2,814 square feet of living area. The homes range in age from 102 to 108 years old. Two comparables have an unfinished basement, one dwelling has a concrete slab foundation and one building has a crawl space foundation. Each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$16,310 to \$19,679 or from \$5.88 to \$7.13 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven equity comparables for the Board's consideration, as one property was common to both parties. The Board gives less weight to appellant comparables #1, #3 and #4 along with board of review comparables #2 and #3, including the common property, which differ from the subject in foundation type.

The Board finds the best evidence of assessment equity to be appellant comparable #2 and board of review comparables #1 and #4 which are more similar to the subject in location, age, design, dwelling size and foundation type. Although, two of these best comparables have a 2-car garage suggesting a downward adjustment is needed to make these properties more equivalent to the subject. These comparables have improvement assessments of \$16,925 and \$19,679 or from \$5.75 to \$7.13 per square foot of living area. The subject's improvement assessment of \$16,666 or \$5.86 per square foot of living area falls below the range established by the best comparables in this record on an overall improvement assessment basis and within the range on a per square foot basis. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
