

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Arnold Ordman  
DOCKET NO.: 22-58139.001-R-1  
PARCEL NO.: 14-30-207-002-0000

The parties of record before the Property Tax Appeal Board are Arnold Ordman, the appellant, by attorney Jerrold H. Mayster of Mayster & Chaimson, Ltd, in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$39,063  
**IMPR.:** \$38,158  
**TOTAL:** \$77,221

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is improved single-family owner-occupied residence located in Lake View Township, Cook County.

The appellant submitted a legal argument before the Property Tax Appeal Board claiming the subject property was incorrectly assessed for the 2022 assessment year. The record shows the Property Tax Appeal Board issued a decision pertaining to the subject property for the prior tax year under Docket Number 21-32284.001-R-1. The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). In the 2021 appeal, the Board lowered the subject's assessment to \$77,221 based on the evidence in the record. The appellant's counsel asserted the subject property is an owner-occupied residence and tax years 2021 and 2022 are within the

same general assessment period. Based on this argument, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for subject property of \$84,593. In support of the subject's assessment, the board of review submitted sales and assessment information on four comparables to demonstrate the subject property was correctly assessed. The notes on appeal also depicts the 2021 tax year was the first year of the general assessment period for Lake View Township.

### **Conclusion of Law**

The appellant contends the subject's assessment was incorrect based on a contention of law. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence. (5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

As an initial matter, the Board gave no weight to the comparables submitted by the board of review in support of the subject's assessment. The Board finds this evidence fails to address the specific contention of law raised by the appellant.

The appellant argued the Property Tax Appeal Board's decision for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The record shows the subject property was the matter of an appeal before the Property Tax Appeal Board the prior tax year under Docket Number 20-32284.001-R-1. In that appeal, the Board issued a decision lowering the subject's assessment to \$77,221 based on the evidence in the record.

Section 16-185 of the Property Tax Code provides in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, **shall remain in effect for the remainder of the general assessment period** (Emphasis Added) as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review. (35 ILCS 200/16-185).

Based on this statutory mandate, the Board finds its decision for the 2021 tax year shall be carried forward to the subsequent 2022 tax year as matter of law. The Board finds the evidence in the record indicates that the subject property is an owner-occupied residence and that the 2021 and 2022 tax years are within the same general assessment period for Lake View Township, Cook County. There is no evidence in the record showing that the subject parcel subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment was based or that the decision of the

Property Tax Appeal Board is reversed or modified upon review. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision of \$77,221.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
