

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Victor Santana
DOCKET NO.: 22-58314.001-R-1
PARCEL NO.: 17-30-113-024-0000

The parties of record before the Property Tax Appeal Board are Victor Santana, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,300
IMPR.: \$7,200
TOTAL: \$16,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story single-family dwelling of masonry construction with 916 square feet of living area. The dwelling is 125 years old. Features of the home include a full unfinished basement and a one-car garage. The property's site is 3,100 square feet located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$165,000 as of January 1, 2021. The appellant reports that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$16,500.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board under Docket Number 2021-38113.001-R-1. In that appeal the Property Tax

Appeal Board issued a decision lowering the total assessment of the subject property to \$16,500 and on the evidence submitted by the parties. The tax years 2021 and 2022 are within the same general assessment period for Chicago, West Chicago Township and the appellant disclosed in section 1b of the submitted residential appeal form that the subject property is an owner-occupied residence.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$27,000. The subject’s assessment reflects a market value of \$270,000 when applying the 2021 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparable properties, three of which had sales data.

Prior to a June 5, 2025, hearing date the parties agreed to waive hearing and have a decision rendered based on the previously submitted evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, **shall** remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm’s length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board’s assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, “Standard of proof. Unless otherwise provided by law or stated in the agency’s rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence.” 5 ILCS 100/10-15. The Board takes official notice that it rendered a decision lowering the subject’s assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of

2020 are in the same general assessment period for West Chicago Township. The Board further finds that the subject is owner-occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's decision for the 2018 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence, that the subject's assessment should be carried forward to the 2022 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
