

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nicholas Tramdack
DOCKET NO.: 22-58398.001-R-1
PARCEL NO.: 13-14-207-036-1001

The parties of record before the Property Tax Appeal Board are Nicholas Tramdack, the appellant, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,083
IMPR.: \$13,417
TOTAL: \$15,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit with approximately 800 square feet of living area. The subject property is part of a four-unit four-story residential condominium building of brick exterior construction that is approximately 104 years old. The subject residential unit has a 17.64% ownership interest in the condominium. The property has a 4,218 square foot site located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-99 residential condominium under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residential condominium unit that was the subject matter of an appeal before the Property Tax Appeal Board the prior tax year under

Docket Number 21-48609.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$15,500 based on the evidence submitted by the parties. The appellant asserted that tax years 2021 and 2022 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,999. The subject's assessment reflects a market value of \$179,990 when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-99 property of 10%. The board of review indicated that no township equalization factor was applied in 2022.

In support of its contention of the correct assessment the board of review submitted a copy of a Condominium Analysis Results for 2024 for the subject's condominium building disclosing the subject unit has a 17.64% ownership interest in the complex. In support of its contention of the correct assessment the board of review submitted information on three comparable sales consisting of three of the condominium units located in the subject's building, including the subject's sale, that had 17.64%, 27.12%, and 27.12%, ownership interest in the subject's condominium, respectively, and for a total ownership interest in the condominium of 71.88%. The units sold in November 2020 for a price of \$155,000 (the subject's sale); November 2021 for a price of \$292,000, and September 2022 for a price of \$335,000. The board of review determined the total consideration for the sales was \$782,000 and the total adjusted consideration for the three units was also \$782,000. The board of review determined the full market value of the entire building was \$1,087,924. Multiplying the full market value of the building by the subject's percentage of ownership interest of 17.64% results in an estimated value for the subject unit of \$191,910 and a total assessment of \$19,191 when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-99 property of 10%, which is above the subject's total assessment \$17,999.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is not warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the 2022 tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through

9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2021 tax year. The record further indicates that the subject property is an owner-occupied residential condominium unit and that 2021 and 2022 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that a no township equalization factor was applied in 2022. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's 2021 tax year's decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
