

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jimmy Samartzis
DOCKET NO.: 22-58536.001-R-1
PARCEL NO.: 05-28-401-032-0000

The parties of record before the Property Tax Appeal Board are Jimmy Samartzis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,170
IMPR.: \$101,441
TOTAL: \$138,611

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,441 square feet of living area. The home is approximately 22 years old. Features include a full basement, central air conditioning, two fireplaces, and a 2-car garage. The property has a 12,390 square foot site and is located in Kenilworth, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on eight equity comparables; two of which are located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-78 dwellings of frame, masonry, stucco, or frame and masonry exterior construction ranging in size from 2,098 to 3,401 square feet of living area.

The homes range in age from 17 to 61 years old. The comparables each have a full or partial basement, two of which have finished area. Each comparable has central air conditioning, two fireplaces, and a 2-car garage. The comparables have improvement assessments ranging from \$58,534 to \$95,592 or from \$23.40 to \$28.35 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,611. The subject property has an improvement assessment of \$101,441 or \$29.48 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within both the subject's assessment neighborhood code and subarea; one of which is also ¼ of a mile from the subject. The comparables are improved with 2-story, class 2-78 dwellings of frame or masonry exterior construction ranging in size from 3,351 to 3,777 square feet of living area. The homes range in age from 2 to 25 years old. Each comparable has a full basement with finished area, central air conditioning, and a 2-car or a 2.5-car garage. Three comparables each have one or two fireplaces. The comparables have improvement assessments ranging from \$141,337 to \$166,750 or from \$42.18 to \$48.35 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twelve suggested comparables for the Board's consideration. The Board accords diminished weight to the appellant's comparable #2 as well as board of review comparables #3 and #4 which differ substantially from the subject in age. The Board also accords diminished weight to the appellant's comparables #3 through #8 which are located in a different assessment neighborhood than the subject as well as differing substantially from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 as well as board of review comparables #1 and #2 which are overall more similar to the subject in location, design/class, age, dwelling size, and other features. The three best comparables have improvement assessments ranging from \$93,561 to \$159,306 or from \$28.35 to \$42.77 per square foot of living area. The subject's improvement assessment of \$101,441 or \$29.48 per square foot of living area falls within the range established by the best comparables in this record. After considering the adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
