

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stephen Silca
DOCKET NO.: 22-59070.001-R-1
PARCEL NO.: 14-20-229-038-0000

The parties of record before the Property Tax Appeal Board are Stephen Silca, the appellant, by attorney Dora Cornelio of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***a reduction*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,770
IMPR.: \$24,318
TOTAL: \$47,088

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a favorable 2021 Final Administrative Decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) in order to challenge the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family building of masonry exterior construction with 2,316 square feet of gross building area. The building is approximately 129 years old. Features of the building include a full basement,¹ two full bathrooms and a fireplace. The property has a site with 1,518 square feet of land area and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject. The comparables

¹ The parties differ as to the description of the subject's basement. The appellant reported the basement is finished with a recreation room, while the board of review reported an unfinished basement.

are class 2-11 properties that are improved with two-story multi-family buildings of frame, masonry or frame and masonry exterior construction ranging in size from 2,112 to 2,332 square feet of gross building area. The buildings are from 121 to 146 years old. The comparables each have a full basement, four of which have finished area. Each comparable has two full bathrooms, one comparable has an additional half bathroom, one comparable has central air conditioning and two comparables each have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$19,375 to \$23,375 or from \$8.38 to \$10.59 per square foot of gross building area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment of \$21,816 or \$9.42 per square foot of gross building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,484. The subject property has an improvement assessment of \$35,714 or \$15.42 per square foot of gross building area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-11 properties that are improved with two-story multi-family buildings of frame or masonry exterior construction ranging in size from 2,352 to 2,484 square feet of gross building area. The buildings are 115 or 133 years old. Each comparable has a full basement and two or three full bathrooms. One comparable has central air conditioning, two comparables each have one or two fireplaces and three comparables each have a 2-car garage. Comparable #4 reportedly has other improvements but no description was provided for these improvements. The comparables have improvement assessments that range from \$31,373 to \$36,860 or from \$12.63 to \$15.32 per square foot of gross building area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #2, as well as board of review comparables #2, #3 and #4, which have a garage and/or central air conditioning, not features of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3, #4 and #5, along with board of review comparable #1, which are similar to the subject in location, building size, design, age and some features. The comparables have improvement assessments that range from \$19,960 to \$36,860 or from \$9.42 to \$15.32 per square foot of gross building area. The subject's improvement assessment of \$35,714 or \$15.42 per square foot of gross

building area falls at the upper end of the range established by the best comparables in the record in terms of overall improvement assessment and falls above the range on a per square foot of gross building area basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement assessment is excessive. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.

Clerk of the Property Tax Appeal Board

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year or years of the same general assessment period, as provided in Sections 9-125 through 9-225, are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for such subsequent year or years directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR OR YEARS. A separate petition and evidence must be filed for each of the remaining years of the general assessment period.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
