

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eva Watkins
DOCKET NO.: 22-59086.001-R-1
PARCEL NO.: 20-28-113-015-0000

The parties of record before the Property Tax Appeal Board are Eva Watkins, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,284
IMPR.: \$22,466
TOTAL: \$28,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,750 square foot parcel of land improved with a 72-year-old, two-story, frame and masonry, commercial building containing 4,500 square feet of building area. The property is located in Chicago, Lake Township, Cook County and is classified as a class 5-17 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject was sold on September 29, 2020, for \$115,000 by Chicago Title and Trust Company, as Trustee. The appellant also submitted a PTAX-203 Illinois Real Estate Transfer Declaration and the Multiple Listing Service (MLS) information sheet that disclosed the subject property was offered in an "as-is" condition and subject to city violations. The appellant provided information in Section IV of the petition that the subject was not transferred between related parties; was advertised and sold by a realtor; was

not sold due to a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2021 level of assessment of 25% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$56,365 which reflects a market value of \$225,460 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%.

In support of the current assessment, the board of review submitted five comparables. These comparables are described as multi-story, masonry, commercial buildings. They sold from May 2020 to November 2022 for prices ranging from \$56.00 to \$145.00 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September 2020 for \$115,000. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related; that the property was sold using a Realtor; that the property had been advertised on the open market; that the subject property was not sold due to a foreclosure. In further support of the transaction, the appellant submitted a copy of the settlement statement, PTAX-203 Illinois Real Estate Transfer Declaration and the MLS information sheet. There was no evidence the subject was sold short or from a foreclosure. The status of the seller as a trust is not, itself, evidence of a distressed sale not for fair market value. Property held in trust is a common way to hold title.

The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of \$115,000 as of January 1, 2021, and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2021 level of assessment of 25.00% for Class 5 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
