

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ROBERT KIRCHNER  
DOCKET NO.: 22-59121.001-R-1  
PARCEL NO.: 25-07-326-002-0000

The parties of record before the Property Tax Appeal Board are ROBERT KIRCHNER, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,625  
**IMPR.:** \$25,375  
**TOTAL:** \$36,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of masonry construction with 2,299 square feet of living area. The dwelling was approximately 99 years old. Features of the home include a full basement and a fireplace. The property has an 8,500 square foot site and is located in Chicago, Lake Township, Cook County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 2021-44870.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$36,000 based on the evidence submitted by the parties.

The appellant's attorney asserted that tax years 2021 and 2022 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,000. The subject's assessment reflects a market value of \$390,000 or \$169.64 per square foot of living area, land included, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on two sales properties which sold in June 2019 and September 2022 for sales prices of \$450,000 and \$680,000 or from \$229.94 and \$350.70 per square foot of living area, land included in the sales prices. These properties were 87 or 92 years old, had 1,939 or 1,957 square feet of living area, and were located within a ¼-mile radius of the subject. The board of review also included information on two equity comparable properties which were located within a ¼-mile radius of the subject. These properties had improvements that were 94 or 96 years old, had 2,047 or 2,053 square feet of living area, and had improvement assessments of \$12.66 and \$12.80 per square foot of living area. The board of review included in its grid analysis the assertion that the subject property was sold on November 3, 2022, for a sale price of \$490,000 or \$213.14 per square foot of living area, land included. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2021 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2021 and 2022 are within the same general assessment period. The board of review contends that the subject property sold in November 2022 for \$490,000. The board of review included this assertion in its grid analysis but offered no other evidence pertaining to the sale. Further, the correct assessment would be established as of the lien date of January 1, 2022. The record contains no evidence indicating that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
