

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Philip McCall  
DOCKET NO.: 22-59159.001-R-1 through 22-59159.003-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Philip McCall, the appellant(s), by attorney Anthony M. Farace, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
22-59159.001-R-1	14-31-111-041-1001	3,738	36,280	\$40,018
22-59159.002-R-1	14-31-111-041-1002	2,990	29,024	\$32,014
22-59159.003-R-1	14-31-111-041-1003	4,154	40,314	\$44,468

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4-story condominium building of masonry exterior construction that is approximately 120 years old. The subject includes three residential condominium units: an 1,800 square foot 2-bedroom/1-bathroom “duplex down” unit, a 1,100 square foot 1-bedroom/1-bathroom unit, and an 1,800 square foot 3-bedroom/2-bathroom “duplex up” unit. Features of each unit include central air conditioning and the subject property also has a garage. The property has an approximately 2,400 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of

\$1,165,000 as of January 1, 2021. The appraisal was prepared by William L. Shulman and Mitchell J. Perlow, certified general real estate appraisers, for ad valorem tax purposes.

The appraisers reported none of the subject units sold in the last three years and none were listed, leased, or under contract for sale. Under the sales comparison approach, the appraisers selected comparables for each of the subject's unit types and adjusted the comparables for differences from the subject. The appraisers concluded a value for the subject of \$1,165,000 as of January 1, 2021.

Based on this evidence the appellant requested a reduction in the subject's assessment to reflect the appraised value conclusion.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total combined assessment for the subject of \$135,898. The subject's assessment reflects a market value of \$1,358,980, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

The board of review did not submit any evidence to support their assertion of the correct assessment.

### **Conclusion of Law**

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2022 are in the same general assessment period for West Chicago Township. The Board further finds that the subject is owner-occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence

Docket No: 22-59159.001-R-1 through 22-59159.003-R-1

that the subject's assessment should be carried forward to the 2022 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
