

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kenneth Meister
DOCKET NO.: 23-00198.001-R-1
PARCEL NO.: 17-31-300-017

The parties of record before the Property Tax Appeal Board are Kenneth Meister, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$114,964
IMPR.: \$188,456
TOTAL: \$303,420

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of brick exterior construction with 3,845 square feet of living area. The dwelling was constructed in 1940, has a chronological age of 83 years old and an effective age of 1956. Features of the home include a basement with a finished recreation room,¹ central air conditioning, three fireplaces and a 506 square foot garage. The property has an approximately 17,013 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject. The

¹ The Board finds the best description of the subject's basement was found in its property record card, submitted by the board of review and not refuted by the appellant.

comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,919 to 4,095 square feet of living area. The homes were built from 1910 to 1954 and effective ages ranging from 1920 to 1964. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces and a garage ranging in size from 128 to 572 square feet of building area. The comparables have improvement assessments that range from \$168,081 to \$189,352 or from \$41.58 to \$47.50 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$171,394 or \$44.58 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$303,420. The subject has an improvement assessment of \$188,456 or \$49.01 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1.5-story or 2-story dwellings of stone or brick exterior construction ranging in size from 3,644 to 4,092 square feet of living area. The homes range in age from 62 to 97 years old. Each comparable has a basement, with three having finished area. Each dwelling has central air conditioning, one or two fireplaces and a garage ranging in size from 434 to 874 square feet of building area. Comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$181,690 to \$271,627 or from \$49.05 to \$66.38 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant comparable #4 which is less similar to the subject in age/effective age than other properties in the record. The Board gives less weight to board of review comparable #4 which has an inground swimming pool unlike the subject.

The Board finds the best evidence of assessment equity to be appellant comparables #1, #2, #3 and #5 along with board of review comparables #1, #2 and #3 which are more similar to the subject in location, age/effective age, dwelling size and some features. However, five of the comparables have an unfinished basement in contrast to the subject's finished basement, suggesting upward adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$174,452 to \$271,627 or from \$42.79 to \$66.38 per square foot of living area. The subject's improvement assessment

of \$188,456 or \$49.01 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
