

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raymond Gust
DOCKET NO.: 23-00382.001-R-1
PARCEL NO.: 14-33-203-008

The parties of record before the Property Tax Appeal Board are Raymond Gust, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,397
IMPR.: \$154,804
TOTAL: \$196,201

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,230 square feet of living area. The dwelling was constructed in 1977 and is approximately 46 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 725 square foot garage. The property has a 39,058 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.58 of a mile from the subject. The parcels range in size from 30,636 to 43,081 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 2,774 to 3,278 square feet of living area. The dwellings range in age from 46 to 48 years old. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 484 to 754

square feet of building area. The comparables sold from August 2021 to October 2022 for prices ranging from \$465,000 to \$565,000 or from \$141.85 to \$176.51 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$196,201. The subject's assessment reflects a market value of \$588,662 or \$182.25 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹ In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.15 of a mile from the subject. The parcels range in size from 30,215 to 40,738 square feet of land area and are improved with 2-story homes of brick exterior construction with 2,799 or 3,665 square feet of living area. The dwellings were built in 1977. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 638 to 754 square feet of building area. The comparables sold from May 2021 to August 2022 for prices ranging from \$590,000 to \$775,000 or from \$210.79 to \$211.86 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Adm. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Adm. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 and the board of review's comparables #2 and #3, which sold less proximate in time to the assessment date than the other sales in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #1, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$485,000 to \$775,000 or from \$161.67 to \$211.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$588,662 or \$182.25 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Adm. Code § 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2023.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
