

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Andrew Bloom
DOCKET NO.: 23-00406.001-R-1
PARCEL NO.: 16-21-403-048

The parties of record before the Property Tax Appeal Board are Andrew Bloom, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$83,640
IMPR.: \$155,337
TOTAL: \$238,977

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,848 square feet of living area. The dwelling was constructed in 1980 and is approximately 43 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 543 square foot garage. The property has an approximately 19,539 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.40 of a mile from the subject. The parcels range in size from 9,060 to 10,500 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 2,314 to 3,081 square feet of living area. The dwellings range in age from 54 to 56 years old. Each home has a basement with finished area, central air conditioning, one or two fireplaces, and a garage ranging

in size from 420 to 506 square feet of building area. The comparables sold from June 2021 to July 2022 for prices ranging from \$496,000 to \$739,000 or from \$183.38 to \$246.01 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$238,977. The subject's assessment reflects a market value of \$717,003 or \$251.76 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.53 of a mile from the subject. The parcels range in size from 10,560 to 15,225 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 1,892 to 3,285 square feet of living area. The dwellings range in age from 55 to 66 years old. Each home has a basement with finished area, central air conditioning, a fireplace, and a garage ranging in size from 252 to 548 square feet of building area. The comparables sold from November 2021 to May 2023 for prices ranging from \$629,900 to \$815,000 or from \$248.10 to \$332.93 per square foot of living area, including land. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Adm. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Adm. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 and the board of review's comparables #2 and #3, due to substantial differences from the subject in dwelling size and/or which sold less proximate in time to the assessment date than the other sales in this record.

The Board finds the best evidence of market value to be the appellant's comparables #3 and #4 and the board of review's comparable #1, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, location, site size, and features, although these comparables are substantially older homes than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices of \$661,000 and \$739,000 or from \$219.89 to \$258.21 per square foot of living area, including land. The subject's assessment reflects a market value of \$717,003 or \$251.76 per square foot of living area, including land, which is within the

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Adm. Code § 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2023.

range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
