

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Bradley  
DOCKET NO.: 23-00409.001-R-1  
PARCEL NO.: 13-36-101-045

The parties of record before the Property Tax Appeal Board are Scott Bradley, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$36,585  
**IMPR.:** \$133,393  
**TOTAL:** \$169,978

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 2,477 square feet of living area. The dwelling was constructed in 1976 and is approximately 47 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 475 square foot garage. The property has a 13,132 square foot site and is located in Barrington, Cuba Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.27 of a mile from the subject. The parcels range in size from 12,979 to 15,599 square feet of land area and are improved with 2-story homes of frame, brick and frame, or frame with brick exterior construction ranging in size from 2,464 to 2,731 square feet of living area. The dwellings range in age from 42 to 50 years old. Each home has a basement with finished area, central air

conditioning, one or two fireplaces, and a garage ranging in size from 419 to 445 square feet of building area. The comparables sold from February to June 2021 for prices ranging from \$450,000 to \$495,000 or from \$179.21 to \$189.73 per square foot of living area, land included. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,978. The subject's assessment reflects a market value of \$509,985 or \$205.89 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.40 of a mile from the subject. The parcels range in size from 11,997 to 17,473 square feet of land area and are improved with 2-story or split-level homes of frame or frame with brick exterior construction ranging in size from 2,272 to 2,971 square feet of living area. The dwellings were built from 1973 to 1977. Each home has a basement, four of which have finished area, central air conditioning, one or two fireplaces, and a garage ranging in size from 426 to 446 square feet of building area. The comparables sold from January 2021 to January 2023 for prices ranging from \$513,000 to \$600,000 or from \$176.71 to \$243.51 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Adm.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Adm.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #4, which sold less proximate in time to the assessment date than the other sales in this record. The Board also gives less weight to the board of review's comparable #5, which is a split-level home compared to the subject's 2-story home.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #3, which sold more proximate in time to the assessment date and are similar to the subject in design, dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$513,000 to \$600,000 or from \$225.79 to \$243.51 per square foot of living area, including land. The subject's assessment reflects a market value of \$509,985 or \$205.89 per square foot of living area, including land, which is below the range

<sup>1</sup> Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Adm. Code § 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2023.

established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
