

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ian Fredericks
DOCKET NO.: 23-00420.001-R-1
PARCEL NO.: 12-28-309-032

The parties of record before the Property Tax Appeal Board are Ian Fredericks, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$152,341
IMPR.: \$317,114
TOTAL: \$469,455

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,856 square feet of living area. The dwelling is 28 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces, and a garage containing 759 square feet of building area. The property has a 21,270 square foot site and is located in Lake Forest, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located in the subject's assessment neighborhood and from .35 of a mile to 1.37 miles from the subject. The comparables consist of 2-story dwellings of wood siding, brick, or stucco exterior construction ranging in size from 3,424 to 4,462 square feet of living area. The homes are 24 to 63 years old. Each dwelling has central air conditioning, two to four fireplaces, a basement with finished area, and a garage

ranging in size from 504 to 661 square feet of building area. The parcels range in size from 17,770 to 32,530 square feet of land area. The comparables sold from June 2021 to August 2022 for prices ranging from \$1,020,000 to \$1,575,000 or from \$258.40 to \$352.98 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$392,376, for an estimated market value of \$1,177,246 or \$305.30 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$469,455. The subject's assessment reflects a market value of \$1,408,506 or \$365.28 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and from .78 of a mile to 1.43 miles from the subject. The comparables consist of 1-story, 1.5-story, or 2-story dwellings of wood siding, brick, or stone exterior construction ranging in size from 3,011 to 4,484 square feet of living area. The dwellings are 29 to 98 years old. Each dwelling has central air conditioning, two or three fireplaces, and a basement with three having finished area. Three comparables each have a garage ranging in size from 506 to 782 square feet of building area. The parcels range in size from 22,163 to 29,390 square feet of land area. The comparables sold from June 2022 to June 2023 for prices ranging from \$1,267,000 to \$1,950,000 or from \$388.92 to \$532.37 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are not truly similar to the subject due to differences in age, location, design, dwelling size, and/or features. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #3, which sold less proximate to the January 1, 2023 assessment date at issue in this appeal.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #4 along with the board of review comparable sales, which have varying degrees of similarity to the subject. These comparables sold from February 2022 to June 2023 for prices ranging from

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

\$1,020,000 to \$1,950,000 or from \$297.90 to \$532.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,408,506 or \$365.28 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
