

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Groebner
DOCKET NO.: 23-00461.001-R-1
PARCEL NO.: 10-28-101-015

The parties of record before the Property Tax Appeal Board are Louis Groebner, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,998
IMPR.: \$213,928
TOTAL: \$249,926

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 4,121 square feet of living area. The dwelling is 23 years old. Features of the home include an unfinished basement, an attic with finished area,¹ central air conditioning, a fireplace, and a garage containing 2,088 square feet of building area. The property has a 60,550 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within .24 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding, brick, or stucco

¹ Additional details not reported by the appellant were drawn from the subject's property record card submitted by the board of review, which were not refuted by the appellant in rebuttal.

exterior construction ranging in size from 3,954 to 4,500 square feet of living area. The homes are 21 to 24 years old. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 672 to 935 square feet of building area. The comparables have improvement assessments ranging from \$170,894 to \$196,092 or from \$42.70 to \$43.58 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$177,697 or \$43.12 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$249,926. The subject property has an improvement assessment of \$213,928 or \$51.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within .35 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story or two-story dwellings of Dryvit or brick exterior construction ranging in size from 4,280 to 4,493 square feet of living area. The homes are 15 to 24 years old. Each dwelling has central air conditioning, one or two fireplaces, a basement with finished area, and a garage ranging in size from 716 to 1,262 square feet of building area. The comparables have improvement assessments ranging from \$212,194 to \$218,883 or from \$47.80 to \$49.89 per square foot of living area. The board of review emphasized the subject's garage size in a notation at the bottom of its grid. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to board of review comparable #1, which differs from the subject in design.

The Board finds the best evidence of assessment equity to be the appellant's comparables and board of review comparables #2 and #3, which are similar to the subject in age, location, dwelling size, and some features. These comparables have improvement assessments that range from \$170,894 to \$218,883 or from \$42.70 to \$49.89 per square foot of living area. The subject's improvement assessment of \$213,928 or \$51.91 per square foot of living area falls within the range established by the best comparables in this record overall. Although the subject's improvement assessment is above the range on a per-square-foot basis, the Board finds it logical given the subject's substantially larger garage in relation to each of the comparables. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing

evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
