

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jack Bryant
DOCKET NO.: 23-00476.001-R-1
PARCEL NO.: 06-14-109-015

The parties of record before the Property Tax Appeal Board are Jack Bryant, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,292
IMPR.: \$71,866
TOTAL: \$82,158

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,578 square feet of living area. The dwelling was constructed in 2000 and is approximately 23 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 400 square feet of building area. The property has an approximately 2,720 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .33 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of vinyl siding exterior construction each containing 1,578 square feet of living area. The homes were built from 2001 to 2003. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage containing 400 square feet of building area. The

parcels each contain 2,720 square feet of land area. The comparables sold from February 2021 to December 2022 for prices ranging from \$232,000 to \$249,000 or from \$147.02 to \$157.79 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$81,659, for an estimated market value of \$245,002 or \$155.26 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$86,661. The subject's assessment reflects a market value of \$260,009 or \$164.77 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .19 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of one-story dwellings of vinyl siding exterior construction each containing 1,578 square feet of living area. The dwellings are 20 or 22 years old. Each dwelling has central air conditioning, a fireplace, a basement with two having finished area, and a garage containing 400 square feet of building area. The parcels range in size from 2,709 to 27,23 square feet of land area. The comparables sold from July 2021 to December 2022 for prices ranging from \$260,000 to \$273,500 or from \$164.77 to \$173.32 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1 and board of review comparable #3, which sold less proximate to the January 1, 2023 assessment date at issue in this appeal. The Board also gives reduced weight to board of review comparable #1, which differs from the subject in foundation, and board of review comparable #2, which differs in basement finish.

The Board finds the best evidence of market value to be appellant's comparable sales #2 and #3, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold in June and December 2022 for prices of \$245,000 and \$249,000 or for \$155.26 and \$157.79 per square foot

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

of living area, including land. The subject's assessment reflects a market value of \$260,009 or \$164.77 per square foot of living area, including land, which is above the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
