

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Katie Krajewski
DOCKET NO.: 23-00669.001-R-1
PARCEL NO.: 06-22-300-049

The parties of record before the Property Tax Appeal Board are Katie Krajewski, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,902
IMPR.: \$107,252
TOTAL: \$122,154

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 2,932 square feet of living area. The dwelling is 18 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a garage with 529 square feet of building area. The property has an 8,747 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with two-story dwellings that range in size from 2,820 to 3,121 square feet of living area. The homes are either 26 or 27 years old and have sites ranging in size from 9,374 to 10,946 square feet of land area. Each comparable has a partial basement, central air conditioning, and a garage with either 420 or 484 square feet of building area. Two of the comparables also have a fireplace. The comparables

have the same assessment neighborhood code as the subject and are located within one-fourth of a mile from the subject property. The sales occurred from January to December 2022 for prices ranging from \$360,000 to \$368,000 or from \$115.35 to \$130.50 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$111,405.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,427. The subject's assessment reflects a market value of \$418,323 or \$142.67 per square foot of living area, land included, when applying the statutory level of assessments of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted the subject's property record card along with information on two comparable sales improved with two-story dwellings of wood or vinyl siding exterior construction that contain 1,540 and 2,223 square feet of living area. The homes are 6 and 19 years old and have sites containing 8,699 and 8,102 square feet of land area, respectively. Each comparable has a full basement with one having finished area, central air conditioning, and a garage with 861 and 532 square feet of building area. One of the comparables also has a fireplace. The comparables have the same assessment neighborhood code as the subject and are located 0.01 and 0.41 of a mile from the subject property. The sales occurred in October 2023 and May 2020 for \$387,500 and \$227,000 or \$174.31 and \$147.40 per square foot of living area, including land, respectively.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables due to differences from the subject in terms of dwelling size and/or age. In addition, the board of review's comparable #2 sold less proximate in time to the January 1, 2023 assessment date than the other comparables in this record. The Board finds the best evidence of market value to be the appellant's comparable sales, which are improved with dwellings that are relatively similar to the subject in location, age, style, and features, although adjustments to these comparables to account for differences in some features, would be needed to make them more equivalent to the subject. These most similar comparables sold from January to December 2022 for prices ranging from \$360,000 to \$368,000 or from \$115.35 to \$130.50 per square foot of living area, including land. The subject's assessment reflects a market value of \$418,322 or \$142.67 per square foot of living area, land included which is above the range established by the best comparable sales in this

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code Section 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for the tax year 2023.

record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
