

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Hillstrom  
DOCKET NO.: 23-00672.001-R-1  
PARCEL NO.: 06-24-204-025

The parties of record before the Property Tax Appeal Board are David Hillstrom, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,842  
**IMPR.:** \$113,449  
**TOTAL:** \$161,291

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of vinyl siding exterior construction with 1,792 square feet of living area. The dwelling is 36 years old. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a garage with 400 square feet of building area. The property has a 16,683 square foot site and is located in Third Lake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales improved with two-story dwellings that range in size from 1,808 to 2,087 square feet of living area. The homes are from 29 to 32 years old and have sites ranging in size from 6,599 to 10,829 square feet of land area. Each comparable has a partial basement, central air conditioning, a fireplace, and a garage ranging in size from 400 to 441 square feet of building area. The comparables are located from 0.01 to 1.78

miles from the subject property. The sales occurred from February 2022 to April 2023 for prices ranging from \$312,000 to \$425,000 or from \$149.50 to \$210.40 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$130,803.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,291. The subject's assessment reflects a market value of \$483,921 or \$270.05 per square foot of living area, land included, when applying the statutory level of assessments of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted the subject's property record card along with information on two comparable sales improved with a one and one-half story and a two-story dwelling of vinyl siding exterior construction that contain 1,791 and 2,882 square feet of living area. The homes are 35 and 33 years old and have sites with 17,420 and 15,030 square feet of land area. Each comparable has a partial basement, central air conditioning, a fireplace, and a garage with 660 and 649 square feet of building area. The comparables have the same assessment neighborhood code as the subject and are located within 0.25 of a mile from the subject property. The sales occurred in September 2023 and April 2022 for \$685,000 and \$747,500 or \$382.47 and \$259.37 per square foot of living area, including land, respectively.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 and #3 due to differences from the subject in terms of dwelling size. The Board gives less weight to the board of review's comparable #2 based on differences from the subject with respect to dwelling size. The Board finds the best evidence of market value to be the remaining comparable sales, which are improved with dwellings that are relatively similar to the subject in location, age, style, and features, although adjustments to these comparables to account for differences in some features, would be needed to make them more equivalent to the subject. These most similar comparables sold from February 2022 to September 2023 for prices ranging from \$331,000 to \$685,000 or from \$167.00 to \$382.47 per square foot of living area, including land. The subject's assessment reflects a market value of \$483,921 or \$270.05 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

<sup>1</sup> Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code Section 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for the tax year 2023.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
