

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Wyncott
DOCKET NO.: 23-00704.001-R-1
PARCEL NO.: 07-08-204-002

The parties of record before the Property Tax Appeal Board are Ronald Wyncott, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$48,062
IMPR.: \$256,596
TOTAL: \$304,658

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 5,266 square feet of living area. The dwelling is 22 years old. Features of the home include a full basement with finished area, central air conditioning, three fireplaces, a flat barn with 1,296 square feet of building area, and a garage with 1,112 square feet of building area. The property has a 4.6-acre site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with two-story dwellings of frame exterior construction that range in size from 4,675 to 5,465 square feet of living area. The homes are from 23 to 36 years old and have sites ranging in size from 2.42 to 5.69 acres. Each comparable has a full or partial basement, central air conditioning, a fireplace, and a garage ranging in size from 966 to 1,470 square feet of building area. The comparables have the same

assessment neighborhood code as the subject and are located from 0.24 to 0.56 of a mile from the subject property. The sales occurred from August to December 2022 for prices ranging from \$625,000 to \$965,000 or from \$114.36 to \$201.97 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$256,253.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$304,658. The subject's assessment reflects a market value of \$914,065 or \$173.58 per square foot of living area, land included, when applying the statutory level of assessments of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales improved with two-story dwellings of frame or brick exterior construction that range in size from 4,251 to 4,790 square feet of living area. The homes are from 15 to 35 years old and have sites ranging in size from 3.0 to 5.71 acres. Each comparable has a full basement with finished area, central air conditioning, two or three fireplaces, and a garage ranging in size from 864 to 1,044 square feet of building area. The comparables have the same assessment neighborhood code as the subject and are located from 0.19 to 0.74 of a mile from the subject property. The sales occurred from July 2021 to March 2023 for prices ranging from \$785,000 to \$1,150,000 or from \$173.28 to \$243.54 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparable #1 because the sales date is less proximate in time to the January 1, 2023, date of assessment as the other comparables contained in the record. The Board also gives less weight to the board of review's comparable #2 based on differences from the subject with respect to dwelling size. The Board finds the best evidence of market value to be the remaining comparable sales, which are improved with dwellings that are relatively similar to the subject in location, age, style, and features, although adjustments to these comparables to account for differences in some features, would be needed to make them more equivalent to the subject. These most similar comparables sold from June to December 2022 for prices ranging from \$625,000 to \$1,150,000 or from \$114.36 to \$243.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$914,065 or \$173.58 per square foot of living area, land included, which falls within the range established by best

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code Section 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for the tax year 2023.

comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
