

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tiffany Vole
DOCKET NO.: 23-00732.001-R-1
PARCEL NO.: 07-17-307-019

The parties of record before the Property Tax Appeal Board are Tiffany Vole, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods, and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,220
IMPR.: \$172,109
TOTAL: \$189,329

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick exterior construction with 2,495 square feet of living area. The dwelling is 16 years old. Features of the home include a full basement with finished area, central air conditioning, a fireplace, and a 529 square foot garage. The property has a 10,890 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales improved with one-story dwellings of frame exterior construction that range in size from 2,242 to 2,890 square feet of living area. The homes are from 25 to 30 years old and have sites ranging in size from 9,413 to 11,761 square feet of land area. Each comparable has a basement, central air conditioning, and a garage ranging in size from 440 to 529 square feet of building area. Two of the properties also have a

fireplace. The comparables are located from 0.30 to 0.72 of a mile from the subject with one comparable having the same assessment neighborhood code as the subject property. The sales occurred from May to August 2022 for prices ranging from \$405,000 to \$428,000 or from \$143.60 to \$180.64 per square foot of living area, including land. The appellant requested the subject's total assessment be reduced to \$149,685.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$189,329. The subject's assessment reflects a market value of \$568,044 or \$227.67 per square foot of living area, land included, when applying the statutory level of assessments of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on two comparable sales improved with one, one-story dwelling and one, one and one-half story dwelling of brick or frame exterior construction with 2,687 and 2,928 square feet of living area, respectively. The homes are both 29 years old with sites containing 20,038 and 23,958 square feet of land area. Each comparable has a full basement, central air conditioning, a fireplace, and a garage with 1,000 and 748 square feet of building area, respectively. The comparables are 0.54 and 0.51 of a mile from the subject, while neither property is located in the same assessment neighborhood code as the subject property. The sales occurred in January and May 2023 for \$600,000 and \$635,000 or \$204.92 and \$236.32 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of five comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2 due to differences from the subject dwelling in terms of dwelling size. The Board also gives less weight to the board of review's comparable #2 based on differences from the subject with respect to dwelling size. The Board finds the best evidence of market value to be the remaining two comparable sales, which are improved with dwellings that are relatively similar to the subject in location and features, although adjustments to these comparables to account for differences in age and lot size, would be needed to make them more equivalent to the subject. These most similar comparables have 2,242 and 2,687 square feet of living area, are 28 and 29 years old, and were sold in May 2022 and May 2023 for \$405,000 and \$635,000 or \$180.64 and \$236.32 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$568,044 or \$227.67 per square foot of living area, land included, which is bracketed by the best comparable

¹ Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code Section 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for the tax year 2023.

sales in this record. Based on this evidence and after considering appropriate adjustments to the best sales, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
