

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tapashankar Ghosh
DOCKET NO.: 23-00925.001-R-1
PARCEL NO.: 11-22-206-032

The parties of record before the Property Tax Appeal Board are Tapashankar Ghosh, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,730
IMPR.: \$235,115
TOTAL: \$310,845

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 4,247 square feet of living area. The dwelling was constructed in 2004. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 693 square foot garage. The property has a 33,360 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .21 of a mile from the subject. The comparables have sites ranging in size from 23,760 to 28,525 square feet of land area that are improved with 2-story dwellings of frame and brick exterior construction ranging in size from 3,586 to 4,648 square feet of living area. The dwellings were built from 1996 to 1998, with the home built in 1996 having a 1999 effective age. The comparables have unfinished

basements, central air conditioning, one or two fireplaces, and a garage ranging in size from 690 to 873 square feet of building area. One comparable has a balcony. The comparables sold from June to November 2021 for prices ranging from \$740,000 to \$900,000 or from \$193.63 to \$211.14 per square foot of living area, including land. The appellant included a brief critiquing the comparables. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$310,845. The subject's assessment reflects a market value of \$932,628 or \$219.60 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on one comparable sale located .08 of a mile from the subject. The comparable has a 23,391 square foot site that is improved with a 2-story dwelling of frame and brick exterior construction with 3,829 square feet of living area. The dwelling was built in 1999. The comparable has an unfinished basement, central air conditioning, a fireplace and a 765 square foot garage. The comparable sold in June 2023 for a price of \$1,006,000 or \$262.73 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of four comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2, due to its considerable difference in dwelling size when compared to the subject. The Board finds the parties' remaining comparable sales have varying degrees of similarity to the subject. However, two of the best comparables have sale dates occurring greater than 16 months prior to the January 1, 2023 assessment date at issue. Nevertheless, the best comparables sold for prices ranging from \$800,000 to \$1,006,000 or from \$193.63 to \$262.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$932,628 or \$219.60 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not warranted.

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
