

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Psaras Jr.
DOCKET NO.: 23-00931.001-R-1
PARCEL NO.: 11-28-302-033

The parties of record before the Property Tax Appeal Board are George Psaras Jr., the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,686
IMPR.: \$298,539
TOTAL: \$374,225

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 5,113 square feet of living area. The dwelling was constructed in 2015. Features of the home include an unfinished walkout basement, central air conditioning, a fireplace and an 888 square foot garage. The property has an 18,502 square foot site and is located in Vernon Hills, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .35 of a mile from the subject. The comparables have sites ranging in size from 17,633 to 24,846 square feet of land area that are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,127 to 5,926 square feet of living area. The dwellings were built in 2005 or 2007. The comparables have unfinished basements, central air conditioning, one, two or four

fireplaces, and a garage ranging in size from 731 to 774 square feet of building area. The comparables sold in April or June 2021 for prices ranging from \$803,000 to \$1,090,000 or from \$183.94 to \$196.04 per square foot of living area, including land. The appellant included a brief critiquing the comparables.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$374,225. The subject's assessment reflects a market value of \$1,122,787 or \$219.59 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .49 of a mile from the subject. The comparables have sites ranging in size from 12,184 to 14,881 square feet of land area that are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 4,198 to 5,140 square feet of living area. The dwellings were built from 2004 to 2014. The comparables have unfinished basements, central air conditioning, one or two fireplaces, and a garage ranging in size from 619 to 861 square feet of building area. The comparables sold in March or May 2023 for prices ranging from \$975,000 to \$1,135,000 or from \$217.90 to \$232.25 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, due to their sale dates occurring greater than 18 months prior to the January 1, 2023 assessment date at issue. The Board also gives less weight to the board of review's comparable #1, due to its significantly smaller dwelling size when compared to the subject. The Board finds the board of review's remaining comparable sales have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2023 assessment date at issue. The best comparables sold in March and May 2023 for prices of \$1,120,000 and \$1,135,000 or \$217.90 and \$221.08 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,122,787 or \$219.59 per square foot

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

of living area, including land, which falls between the market values of the best comparable sales in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
