

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Johnson
DOCKET NO.: 23-01035.001-R-1
PARCEL NO.: 05-25-401-091

The parties of record before the Property Tax Appeal Board are Jason Johnson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,606
IMPR.: \$97,266
TOTAL: \$116,872

Subject only to the State multiplier as applicable.

Preliminary Matter

This appeal was filed on January 26, 2024 by counsel using the Board's Electronic Filing Portal (86 Ill. Admin. Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's comparables set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein [comparables #1 through #9 in the additional grid are duplicates of the Sec. V data].

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,816 square feet of living area. The dwelling was constructed in 2003. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a garage with 588 square feet

of building area. The property has an approximately 9,392 square foot site and is located in Round Lake, Grant Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables subject located in the subject's assessment neighborhood and from 0.01 of a mile to 1.24 miles from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,012 to 3,072 square feet of living area. The homes were built from 2002 to 2004. Each dwelling has an unfinished basement, central air conditioning, one fireplace, and a garage that ranges in size from 420 to 620 square feet of building area. The comparables have improvement assessments ranging from \$84,804 to \$87,914 or from \$27.97 to \$28.64 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$79,242 or \$28.14 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$116,872. The subject property has an improvement assessment of \$97,266 or \$34.54 per square foot of living area.

In support of this argument, the board of review submitted information on nine equity comparables located in the subject's assessment neighborhood and from 0.08 of a mile to 1.26 miles from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,804 to 2,823 square feet of living area. The homes were built from 2001 to 2004. The dwellings each have an unfinished basement, central air conditioning, and a garage that ranges in size from 460 to 610 square feet of building area. Eight comparables each have one fireplace. Comparables #6 and #7 each have a shed. The comparables have improvement assessments ranging from \$96,042 to \$100,367 or from \$34.03 to \$35.76 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 18 suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables as well as board of review comparables #7, #8, and #9. The appellant's comparables are less similar to the subject in dwelling size than the board of review comparables. The appellant's comparables #1 through #5 as well as board of review

comparables #7, #8, and #9 which are located over one mile from the subject, less proximate in location to the subject than other comparables in this record.

The Board finds the best evidence of assessment equity to be board of review comparables #1 through #6 which are more similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$96,042 to \$100,367 or from \$34.25 to \$35.76 per square foot of living area. The subject's improvement assessment of \$97,266 or \$34.54 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
