

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mahboob Khatoon
DOCKET NO.: 23-01052.001-R-1
PARCEL NO.: 06-08-307-069

The parties of record before the Property Tax Appeal Board are Mahboob Khatoon, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,829
IMPR.: \$76,727
TOTAL: \$87,556

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Preliminary Matter

This appeal was filed on January 26, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's comparables #10 through #12 set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein [comparables #1 through #9 in the additional grid are duplicates of the Sec. V data].

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 1,768 square feet of living area. The dwelling was constructed in 2002 and is 21 years old. Features of the home include a basement with finished area, central air conditioning, and a 400

square foot garage.¹ The property has a 4,356 square foot site and is located in Round Lake Heights, Lake Villa Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in size from 1,705 to 1,856 square feet of living area. The dwellings are 22 to 26 years old. Each comparable has a basement and a garage with either 440 or 462 square feet of building area. One comparable has central air conditioning and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$65,469 to \$72,392 or from \$38.35 to \$39.00 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$87,556. The subject property has an improvement assessment of \$76,727 or \$43.40 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction with each containing either 1,750 or 1,856 square feet of living area. The dwellings are either 20 or 21 years old and have basements with finished area. Each comparable has central air conditioning and a garage with 400 square feet of building area. Comparable #4 has an enclosed porch. The comparables have improvement assessments ranging of \$76,020 and \$81,532 or \$43.44 and \$43.93 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 13 equity comparables for the Board's consideration that are similar to the subject in location, style, and dwelling size. The Board gives less weight to the appellant's comparables which lack finished basement area and/or central air conditioning when compared to the subject.

¹ Additional details regarding the subject not reported by the appellant are found in the subject's property record card presented by the board of review and were not refuted by the appellant in written rebuttal.

The Board finds the best evidence of assessment equity to be the board of review comparables which have finished basement area and central air conditioning. These most similar comparables have improvement assessments ranging from \$76,020 and \$81,532 or \$43.44 and \$43.93 per square foot of living area. The subject's improvement assessment of \$76,727 or \$43.40 per square foot of living is supported by the best comparables in the record. Based on this evidence, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
