

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Marrese  
DOCKET NO.: 23-01098.001-R-1  
PARCEL NO.: 15-24-207-001

The parties of record before the Property Tax Appeal Board are Louis Marrese, the appellant; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$65,666  
**IMPR.:** \$126,175  
**TOTAL:** \$191,841

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick with frame exterior construction with 2,930 square feet of living area. The dwelling was constructed in 1975 and is approximately 48 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a garage containing 456 square feet of building area. The property has a site with approximately 16,117 square feet of land area and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparables located from .05 of a mile to 1.62 miles from the subject and within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of frame or brick with frame exterior construction ranging in size from 2,964 to 3,429 square feet of living area. The dwellings were built in either 1972 or 1974 with comparable #3 having an effective age of 1975. Each comparable has a basement, two with finished area, one or three fireplaces, and a garage ranging in size from 550 to 770 square feet of building area. Two

comparables each have central air conditioning. The comparables have improvement assessments that range from \$71,078 to \$93,150 or from \$23.98 to \$29.22 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$110,000 or \$37.54 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$191,841. The subject property has an improvement assessment of \$126,175 or \$43.06 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables located from .60 of a mile to 1.26 miles from the subject and within the same assessment neighborhood as the subject property. The comparables are improved with 2-story dwellings of brick with frame exterior construction ranging in size from 2,864 to 3,067 square feet of living area. The dwellings were built from 1962 to 1969. Each comparable has a basement with finished area, central air conditioning, one fireplace, and a garage ranging in size from 462 to 785 square feet of building area. The comparables have improvement assessments ranging from \$129,865 to \$150,546 or from \$45.01 to \$49.09 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparable #3 due to its larger dwelling size when compared to the subject. The Board has given reduced weight to appellant's comparables #1 as well as board of review comparables #1, #3 and #4 due to their distance of over one mile away from the subject property.

The Board finds the best evidence of assessment equity to be appellant's comparable #2 along with board of review comparable #2. The Board finds that these two comparables are most similar to the subject in location, basement, design, age, dwelling size and some features. These most similar comparables have improvement assessments of \$89,134 and \$150,546 or \$29.22 and \$49.09 per square foot of living area. The subject's improvement assessment of \$126,175 or \$43.06 per square foot of living area, is bracketed by the improvement assessments of the two best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
