

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sanjay Patel
DOCKET NO.: 23-01100.001-R-1
PARCEL NO.: 07-06-309-001

The parties of record before the Property Tax Appeal Board are Sanjay Patel, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,969
IMPR.: \$111,995
TOTAL: \$135,964

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Preliminary Matter

This appeal was filed on January 26, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's comparables #10 through #12 set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein [comparables #1 through #9 in the additional grid are duplicates of the Sec. V data]. (See also, 86 Ill.Admin.Code §1910.80)

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,230 square feet of living area. The dwelling was constructed in 2000 and is approximately 23 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace,

and a garage containing 600 square feet of building area. The property has a site with approximately 13,123 square feet of land area and is located in Lake Villa, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine suggested equity comparables located within .45 of a mile from the subject and within the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in size from 3,136 to 3,242 square feet of living area. The dwellings range in age from 27 to 29 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage with either 630 or 671 square feet of building area. The comparables have improvement assessments that range from \$101,693 to \$105,803 or from \$32.44 to \$32.78 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$105,427 or \$32.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$135,964. The subject property has an improvement assessment of \$111,995 or \$34.67 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables located within .23 of a mile from the subject and within the same assessment neighborhood as the subject property. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,182 to 3,286 square feet of living area. The dwellings are either 23 or 26 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 600 to 660 square feet of building area. Comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$110,712 to \$114,455 or from \$34.70 to \$34.92 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board has given less weight to board of review comparable #4 due to its inground swimming pool, a feature the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables along with board of review comparables #1, #2 and #3. The Board finds that these comparables are most similar to the subject in location, finished basement, design, age, dwelling size and some features. These most similar comparables have improvement assessments ranging from \$101,693 to

\$114,455 or from \$32.44 to \$34.83 per square foot of living area. The subject's improvement assessment of \$111,995 or \$34.67 per square foot of living area, falls within the range of the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
