

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kurt Green
DOCKET NO.: 23-01113.001-R-1
PARCEL NO.: 07-18-206-051

The parties of record before the Property Tax Appeal Board are Kurt Green, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,635
IMPR.: \$117,298
TOTAL: \$133,933

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Preliminary Matter

This appeal was filed on January 26, 2024 by counsel using the Board's Electronic Filing Portal (86 Ill. Admin. Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's comparables #10 through #12 set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein [comparables #1 through #9 in the additional grid are duplicates of the Sec. V data].

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,691 square feet of living area. The dwelling was constructed in 1995 and is 28 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace,

and a garage containing 525 square feet of building area.¹ The property has an 8,277 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables located within .38 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood frame exterior construction ranging in size from 2,653 to 2,735 square feet of living area. The homes are either 29 or 30 years old. Each dwelling has central air conditioning, an unfinished basement, and a garage ranging in size from 396 to 672 square feet of building area. Six comparables each have a fireplace. The comparables have improvement assessments ranging from \$109,306 to \$112,769 or from \$40.36 to \$41.23 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$110,263 or \$40.97 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,933. The subject property has an improvement assessment of \$117,298 or \$43.59 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within .33 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of wood siding exterior construction containing either 2,691 or 2,717 square feet of living area. The homes are each 29 years old. Each dwelling has central air conditioning and a basement with finished area. Comparable #3 has a fireplace. The comparables have improvement assessments ranging from \$121,208 to \$127,564 or from \$44.61 to \$47.40 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are similar to the subject in age, location, dwelling size, and some features, noting adjustments would be required for basement finish and lack of garage to make the comparables more equivalent to the subject. These comparables have improvement assessments that range from \$109,306 to

¹ Additional details not reported by the appellant were drawn from the subject's property record card submitted by the board of review, which was not refuted by the appellant in rebuttal.

\$127,564 of from \$40.36 to \$47.40 per square foot of living area. The subject's improvement assessment of \$117,298 or \$43.59 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
