

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lani Flesch
DOCKET NO.: 23-01216.001-R-1
PARCEL NO.: 14-08-300-020

The parties of record before the Property Tax Appeal Board are Lani Flesch, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,954
IMPR.: \$193,108
TOTAL: \$230,062

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 4,589 square feet of living area. The dwelling was constructed in 1991. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a garage containing 598 square feet of building area. The property has an 85,050 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from .7 of a mile to 1.16 miles from the subject, one of which is in the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 4,381 to 4,554 square feet of living area. The homes were built from 1994 to 1998. Each dwelling has central air conditioning, two or three fireplaces, an unfinished basement, and a

garage ranging in size from 735 to 1,584 square feet of building area. The parcels range in size from 54,371 to 92,156 square feet of land area. The comparables sold from February 2021 to August 2022 for prices ranging from \$675,000 to \$706,000 or from \$148.22 to \$161.15 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$208,014, for an estimated market value of \$624,104 or \$136.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$230,062. The subject's assessment reflects a market value of \$690,255 or \$150.42 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .52 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,504 to 4,030 square feet of living area. The dwellings were built from 1978 to 1984. Each dwelling has central air conditioning, one or two fireplaces, a basement with two having finished area, and a garage ranging in size from 668 to 936 square feet of building area. The parcels range in size from 41,478 to 175,246 square feet of land area. The comparables sold from May 2021 to November 2022 for prices ranging from \$540,000 to \$640,000 or from \$152.76 to \$182.65 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1 and #3, as well as board of review comparables #1 and #2, which sold less proximate to the January 1, 2023 assessment date at issue in this appeal.

The Board finds the best evidence of market value to be appellant's comparable sale #2 and board of review comparable sale #3, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, and most features. These most similar comparables sold in August and November 2022 for prices of \$626,000 and \$698,000 or for

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

\$155.33 and \$156.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$690,255 or \$150.42 per square foot of living area, including land, which is bracketed by the best comparable sales in this record overall and below the best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
