

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark Woodward  
DOCKET NO.: 23-01223.001-R-1  
PARCEL NO.: 14-11-303-004

The parties of record before the Property Tax Appeal Board are Mark Woodward, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,404  
**IMPR.:** \$151,243  
**TOTAL:** \$182,647

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 3,199 square feet of living area. The dwelling was constructed in 1981. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 462 square feet of building area. The property has a 39,506 square foot site and is located in Hawthorn Woods, Elia Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .89 of a mile of the subject. The comparables consist of one-story dwellings of brick or frame exterior construction ranging in size from 2,684 to 3,136 square feet of living area. The homes were built from 1977 to 1987. Each dwelling has central air conditioning, a fireplace, a basement with one having finished area, and a garage ranging in size from 770 to 873 square feet of building area.

Comparable #2 has an inground swimming pool. The parcels range in size from 40,280 to 46,491 square feet of land area. The comparables sold from February 2022 to May 2023 for prices ranging from \$469,900 to \$645,000 or from \$175.07 to \$205.68 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$173,795, for an estimated market value of \$521,437 or \$163.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,647. The subject's assessment reflects a market value of \$547,996 or \$171.30 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.<sup>1</sup>

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from .22 of a mile to 1.3 miles from the subject, one of which is in the subject's assessment neighborhood. Comparable #5 is the same property as appellant comparable #3. The comparables consist of one-story dwellings of brick or frame exterior construction ranging in size from 2,408 to 3,136 square feet of living area. The dwellings were built from 1968 to 1987. Each dwelling has central air conditioning, one or two fireplaces, a basement with one having finished area, and a garage ranging in size from 504 to 856 square feet of building area. The parcels range in size from 39,792 to 55,532 square feet of land area. The comparables sold from June 2021 to July 2023 for prices ranging from \$480,000 to \$835,000 or from \$188.83 to \$328.35 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with one common comparable. The Board gives less weight to the appellant's comparable #2, due to its inground swimming pool, a feature the subject lacks. The Board also gives reduced weight to board of review comparables #1 through #3, which sold less proximate to the January 1, 2023 assessment date at issue in this appeal.

The Board finds the best evidence of market value to be the parties' shared comparable, appellant's comparable sale #1, and board of review comparable sale #4, which sold proximate to the assessment date at issue and are similar to the subject in age, location, and some features.

<sup>1</sup> Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

These most similar comparables sold from March 2022 to July 2023 for prices ranging from \$469,900 to \$835,000 or from \$175.07 to \$328.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$547,996 or \$171.30 per square foot of living area, including land, which is within the range established by the best comparable sales in this record overall and below the range on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
