

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ator David
DOCKET NO.: 23-01236.001-R-1
PARCEL NO.: 14-19-303-024

The parties of record before the Property Tax Appeal Board are Ator David, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,008
IMPR.: \$230,609
TOTAL: \$293,617

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 4,785 square feet of living area. The dwelling was constructed in 2001. Features of the home include an unfinished walk-out style basement, central air conditioning, a fireplace, and a garage containing 1,023 square feet of building area. The property has a 97,102 square foot site and is located in North Barrington, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located from 1.64 miles to 3.33 miles from the subject.¹ The comparables consist of two-story dwellings of brick or brick and frame exterior construction ranging in size from 4,072 to 4,575 square feet of living area. The homes were built from 1988 to 2000. Each dwelling has central air conditioning, one to four fireplaces,

a basement with two being walk-out style and one having finished area, and a garage ranging in size from 759 to 839 square feet of building area. The parcels range in size from 17,687 to 189,438 square feet of land area. The comparables sold in May or November 2021 for prices ranging from \$597,563 to \$980,000 or from \$133.98 to \$240.67 per square foot of living area, including land. The appellant also submitted a Multiple Listing Service sheet noting comparable #3 was renovated in 2016. Based on this evidence, the appellant requested a reduced assessment of \$224,873, for an estimated market value of \$674,686 or \$141.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$293,617. The subject's assessment reflects a market value of \$880,939 or \$184.10 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .28 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of brick, frame, or brick and frame exterior construction ranging in size from 3,614 to 5,236 square feet of living area. The dwellings were built from 1989 to 2000. Each dwelling has central air conditioning, two or three fireplaces, a basement with two having finished area, and a garage ranging in size from 672 to 1,393 square feet of building area. The parcels range in size from 64,853 to 97,408 square feet of land area. The comparables sold from May 2021 to April 2022 for prices ranging from \$700,000 to \$1,222,000 or from \$163.59 to \$233.38 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables, which are located in a different neighborhood code than the subject and are located more than one mile from the subject. The Board also gives reduced weight to board of review comparable #1, which differs from the subject in dwelling size.

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

The Board finds the best evidence of market value to be the board of review comparable sales #2, #3, and #4, which are similar to the subject in location, dwelling size, and some features. These most similar comparables sold for prices ranging from \$700,000 to \$1,222,000 or from \$163.59 to \$233.38 per square foot of living area, including land. The subject's assessment reflects a market value of \$880,939 or \$184.10 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
