

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elizabeth Wolkoff
DOCKET NO.: 23-01376.001-R-1
PARCEL NO.: 16-10-316-031

The parties of record before the Property Tax Appeal Board are Elizabeth Wolkoff, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$60,355
IMPR.: \$109,858
TOTAL: \$170,213

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,870 square feet of living area. The dwelling was constructed in 1956, is approximately 67 years old, and has a reported effective age of 1959 or 64 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 368 square foot garage. The property has a 20,315 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.33 of a mile from the subject. The parcels range in size from 12,336 to 17,476 square feet of land area and are improved with 1-story homes ranging in size from 1,534 to 2,062 square feet of living area. The dwellings range in age from 65 to 70 years old. Each home has a basement, one of which has

finished area,¹ and central air conditioning. Three homes each have a fireplace and four homes each have a garage ranging in size from 231 to 528 square feet of building area. The comparables sold from February 2022 to June 2023 for prices ranging from \$375,000 to \$584,000 or from \$188.17 to \$311.79 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,213. The subject's assessment reflects a market value of \$510,690 or \$273.10 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.² In support of its contention of the correct assessment the board of review submitted information on two comparable sales³ located within 0.33 of a mile from the subject. Comparable #1 is the same sale as the appellant's comparable #4 described above. Comparable #2 has a 15,061 square foot site that is improved with a 1-story home with 1,912 square feet of living area. The dwelling is 67 years old and features a basement with finished area, central air conditioning, a fireplace, and a 520 square foot garage. The comparable sold in November 2022 for a price of \$599,900 or \$313.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Adm. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Adm. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3, and #5, due to substantial differences from the subject in dwelling size and/or basement finish.

The Board finds the best evidence of market value to be the board of review's comparable #1/appellant's comparable #4 and the board of review's comparable #2, which sold proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and features. These two most similar comparables sold for prices of \$584,000 and \$599,900 or \$310.31 and \$313.76 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$510,690 or \$273.10 per square foot of living area, including land, which falls below the two best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

¹ The board of review reported comparable #4, which is common to both parties, has finished basement area.

² Section 1910.50(c)(1) of the Board's procedural rules provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Adm. Code § 1910.50(c)(1). As of the development of this Final Administrative Decision, the Department of Revenue has not published figures for tax year 2023.

³ The board of review presented three comparables but presented sales data for only two comparables.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
