

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Acker
DOCKET NO.: 23-01721.001-R-1
PARCEL NO.: 12-21-112-020

The parties of record before the Property Tax Appeal Board are Peter Acker, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$109,851
IMPR.: \$330,139
TOTAL: \$439,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,965 square feet of living area.¹ The dwelling was constructed in 2006 and is approximately 17 years old. Features of the home include a basement with finished area, central air conditioning, three fireplaces and a 400 square foot garage. The property has a 7,623 square foot site and is located in Mundelein, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings ranging in size from 2,573 to 3,376 square

¹ The Board finds the best description of the subject is found in the subject's property record card provided by the board of review, which was not refuted by the appellant.

feet of living area. The dwellings are from 7 to 24 years old. Each comparable has a basement with finished area, central air conditioning, a fireplace and a garage ranging in size from 323 to 576 square feet of building area. The comparables have improvement assessments that range from \$243,688 to \$330,719 or from \$72.18 to \$121.79 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$282,579 or \$95.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$439,990. The subject has an improvement assessment of \$330,139 or \$111.35 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject. The board of review's comparables #1 and #2 are the same properties as the appellant's comparables #7 and #6, respectively, which were previously described. The board of review's comparable #3 is improved with a 1.5-story dwelling of wood siding exterior construction containing 3,237 square feet of living area. The dwelling is 20 years old and has a basement with finished area, central air conditioning and a fireplace. This comparable has an improvement assessment of \$336,035 or \$103.81 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted ten equity comparables for the Board's consideration, as two comparables were common to both parties. The Board has given less weight to the appellant's comparables #1, #3, #4, #5, #8 and #9 due to differences from the subject in dwelling size or age. The Board has given reduced weight to board of review comparable #3 due to its lack of a garage, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #6 and #7, along with board of review comparables #1 and #2, which includes the two common comparables. The Board finds these three comparables are more similar to the subject in location, dwelling size, design, age and some features. The comparables have improvement assessments ranging from \$290,901 to \$330,719 or from \$93.18 to \$121.79 per square foot of living area. The subject's improvement assessment of \$330,139 or \$111.35 per square foot of living area falls within the range established by the best comparables in this record. Based on

this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
