

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maureen Marion
DOCKET NO.: 23-01744.001-R-1
PARCEL NO.: 14-04-406-019

The parties of record before the Property Tax Appeal Board are Maureen Marion, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,320
IMPR.: \$129,434
TOTAL: \$185,754

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,814 square feet of living area. The dwelling was constructed in 1987 and is approximately 36 years old. Features of the home include a walk-out basement, central air conditioning, two fireplaces and a 768 square foot garage. The property has an approximately 58,381 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .23 of a mile from the subject property. The comparables are improved with two-story dwellings of frame exterior construction ranging in size from 2,746 to 2,935 square feet of living area. The dwellings were built in 1986 or 1987. The comparables each have a basement,

one of which is a walk-out. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 581 to 910 square feet of building area. The comparables have improvement assessments that range from \$125,584 to \$131,517 or from \$42.80 to \$47.82 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$122,549 or \$43.55 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,754. The subject has an improvement assessment of \$129,434 or \$46.00 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject property and are located within .35 of a mile from the subject property. The board of review's comparable #3 is the same property as the appellant's comparable #2. The comparables are improved with two-story dwellings of frame or brick and frame exterior construction ranging in size from 2,355 to 3,424 square feet of living area. The dwellings were built from 1987 to 2021. The comparables each have a basement, three of which are walk-outs. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 672 to 920 square feet of building area. The comparables have improvement assessments that range from \$108,629 to \$179,759 or from \$46.13 to \$52.50 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration, as one comparable is common to both parties. The Board has given less weight to board of review comparables #1, #2 and #5 due to differences from the subject in dwelling size and/or age.

The Board finds the best evidence of assessment equity to be the appellant's comparables, along with board of review comparables #2 and #3, which includes the common comparable. The Board finds these five comparables are similar to the subject in location, dwelling size, design, age and features. These best comparables have improvement assessments ranging from \$123,019 to \$131,517 or from \$42.80 to \$47.82 per square foot of living area. The subject's improvement assessment of \$129,434 or \$46.00 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after

considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
