

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fernando Garcia  
DOCKET NO.: 23-01784.001-R-1  
PARCEL NO.: 14-28-205-004

The parties of record before the Property Tax Appeal Board are Fernando Garcia, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$44,256  
**IMPR.:** \$141,303  
**TOTAL:** \$185,559

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Preliminary Matter**

This appeal was filed on January 30, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's three additional comparables set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein. (See also, 86 Ill.Admin.Code §1910.80)

**Findings of Fact**

The subject property consists of a two-story dwelling of frame exterior construction with 3,160 square feet of living area. The dwelling was constructed in 1994 and is approximately 29 years old. Features of the home include an 1,833 square foot basement, central air conditioning, one

fireplace and a 672 square foot garage. The property has a 49,651 square foot site<sup>1</sup> and is located in Kildeer, Elia Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located in the same neighborhood code as the subject and within .46 of a mile from the subject. The comparables consist of two-story dwellings of frame or frame and brick exterior construction. The homes were built in 1988 or 1989 and range in size from 2,847 to 3,568 square feet of living area. Each comparable has from a 1,290 to a 1,981 square foot basement, central air conditioning, one fireplace, and a garage ranging in size from 528 to 811 square feet of building area. The comparables have improvement assessments ranging from \$120,814 to \$150,530 or from \$40.73 to \$42.44 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$133,368 or \$42.21 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$185,559. The subject property has an improvement assessment of \$141,303 or \$44.72 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on nine equity comparables that are located in the same neighborhood code as the subject and within .50 of a mile from the subject. The comparables consist of two-story dwellings of brick, frame or brick and frame exterior construction. The homes were built from 1987 to 1998 and range in size from 2,848 to 3,655 square feet of living area. Each comparable has from a 1,478 to a 1,953 square foot basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 484 to 1,005 square feet of building area. The comparables have improvement assessments ranging from \$129,253 to \$164,342 or from \$44.87 to \$46.79 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eighteen equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparables #1, #2, #5, #7 and #8 along with board of review comparables #2, #3, #5 and #8

<sup>1</sup> The subject's property record card provided by the board of review revealed the subject has a 49,651 square foot site, which was not refuted by the appellant in rebuttal.

which are less similar to the subject in dwelling size or basement size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, age, dwelling size, basement size, and some features. These nine comparables have improvement assessments ranging from \$128,878 to \$152,838 or from \$40.73 to \$46.79 per square foot of living area. The subject's improvement assessment of \$141,303 or \$44.72 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
