

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Allen  
DOCKET NO.: 23-01789.001-R-1  
PARCEL NO.: 14-31-307-010

The parties of record before the Property Tax Appeal Board are Robert Allen, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,217  
**IMPR.:** \$233,650  
**TOTAL:** \$283,867

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Preliminary Matter**

This appeal was filed on January 30, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's three additional comparables set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein. (See also, 86 Ill.Admin.Code §1910.80)

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,138 square feet of living area. The dwelling was constructed in 1965. Features of the home include a basement, 4.5 bathrooms, central air conditioning, three fireplaces, a 576 square foot garage, and

a 165 square foot enclosed porch. The property has a 27,198 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparables located in the same assessment neighborhood code as the subject and within .71 of a mile from the subject. The comparables consist of 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 3,556 to 4,621 square feet of living area. The dwellings were built from 1965 to 1972. The comparables have basements, 2.5 to 4.5 bathrooms, central air conditioning, one to three fireplaces, and a garage ranging in size from 462 to 897 square feet of building area. The comparables have improvement assessments that range from \$186,252 to \$242,498 or from \$51.47 to \$52.77 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$283,867. The subject has an improvement assessment of \$233,650 or \$56.46 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five comparables located in the same assessment neighborhood code as the subject and within .57 of a mile from the subject. The comparables consist of 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 3,454 to 4,839 square feet of living area. The homes were built from 1968 to 1972. The comparables have basements, 3.5 or 4 bathrooms, central air conditioning, one or two fireplaces and a garage ranging in size from 484 to 800 square feet of building area. The comparables have improvement assessments that range from \$198,090 to \$274,495 or from \$56.73 to \$58.07 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted 14 equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3, #5, #7 and #8 as well as the board of review comparables #1 and #5 which differ from the subject in dwelling size and/or have a smaller bathroom count than the other comparables in the record.

The Board finds the best evidence to be the appellant's comparables #1, #2, #4, #6 and #9 as well as the board of review comparables #2, #3 and #4. These comparables are more similar to the subject in location, dwelling size, age, and bathroom count. However, six of these eight

comparables have smaller dwelling sizes in addition to smaller bathroom count, fireplace count, and/or garage sizes, suggesting upward adjustments for these differences would be required to make them more equivalent to the subject. These eight comparables have improvement assessments that range from \$195,994 to \$242,498 or from \$51.47 to \$58.07 per square foot of living area. The subject's improvement assessment of \$233,650 or \$56.46 per square foot of living area falls within the range of the best comparables in the record. Based on this record and after considering appropriate adjustments to the best comparables when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
