

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alec Pashkow  
DOCKET NO.: 23-01790.001-R-1  
PARCEL NO.: 14-31-406-006

The parties of record before the Property Tax Appeal Board are Alec Pashkow, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,584  
**IMPR.:** \$146,359  
**TOTAL:** \$193,943

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Preliminary Matter**

This appeal was filed on January 30, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's three additional comparables set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein. (See also, 86 Ill.Admin.Code §1910.80)

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,577 square feet of living area. The dwelling was constructed in 1967. Features of the home include a 1,120 square foot unfinished basement, 2.5 bathrooms, central air conditioning, a fireplace and a

462 square foot garage. The property has an approximately 23,348 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located in the same neighborhood code as the subject and within 0.56 of a mile from the subject. The comparables consist of two-story dwellings of frame or brick and frame exterior construction. The homes range were built from 1965 to 1971 and range in size from 2,489 to 2,696 square feet of living area. Each comparable has from a 1,080 to a 1,436 square foot basement, 2.5 or 3.5 bathrooms, central air conditioning, one or two fireplaces, and a garage ranging in size from 420 to 490 square feet of building area. The comparables have improvement assessments ranging from \$132,712 to \$143,835 or from \$52.59 to \$55.36 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$138,449 or \$53.72 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$193,943. The subject property has an improvement assessment of \$146,359 or \$56.79 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on nine equity comparables that are located in the same neighborhood code as the subject and within .64 of a mile from the subject. The comparables consist of two-story dwellings of brick, frame or brick and frame exterior construction. The homes were built from 1966 to 1971 and range in size from 2,577 to 2,806 square feet of living area. Each comparable has from a 1,147 to a 1,554 square foot basement, 2.5 or 3.5 bathrooms, central air conditioning, one or two fireplaces, and a garage ranging in size from 462 to 675 square feet of building area. The comparables have improvement assessments ranging from \$149,526 to \$160,772 or from \$56.84 to \$58.54 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eighteen equity comparables to support their respective positions before the Property Tax Appeal Board. All of the parties' comparables are relatively similar to the subject in location, design, age, and dwelling size. However, the Board gives less weight to the appellant's comparables #4 and #5 along with board of review comparables #3, #4, #5, #6 and #7 which are less similar to the subject in bathroom count or basement size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties remaining comparables that are relatively similar to the subject in location, design, age, dwelling size, bathroom count, and other features. These eleven comparables have improvement assessments ranging from \$132,712 to \$154,613 or from \$52.59 to \$58.54 per square foot of living area. The subject's improvement assessment of \$146,359 or \$56.79 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
