

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Lambert  
DOCKET NO.: 23-01791.001-R-1  
PARCEL NO.: 14-31-407-024

The parties of record before the Property Tax Appeal Board are John Lambert, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$43,820  
**IMPR.:** \$176,419  
**TOTAL:** \$220,239

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Preliminary Matter**

This appeal was filed on January 30, 2024 by counsel using the Board's Electronic Filing Portal (EFP) (86 Ill.Admin.Code Sec. 1910.33, effective January 27, 2023). Pursuant to Standing Order #2 issued by the Board on February 14, 2023, the appellant's three additional comparables set forth on additional pages, other than the electronic form Sec. V grid analysis, have been "give[n] . . . zero weight" in this decision and will not be discussed further herein. (See also, 86 Ill.Admin.Code §1910.80)

### **Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,100 square feet of living area. The dwelling was constructed in 1968 but has a 1972 effective age.<sup>1</sup> Features of the home include a basement, central air conditioning, a fireplace and a 748 square foot garage. The property has an approximately 20,670 square foot site and is located in Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on nine comparables that are located in the same neighborhood code as the subject and within .59 of a mile from the subject. The comparables are improved with 2-story dwellings of frame or brick and frame exterior construction ranging in size from 2,644 to 3,556 square feet of living area. The dwellings were built from 1966 to 1972. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 420 to 575 square feet of building area. The comparables have improvement assessments ranging from \$139,037 to \$187,439 or from \$51.30 to \$52.71 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$220,239. The subject property has an improvement assessment of \$176,419 or \$56.91 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparables that are located in the same neighborhood code as the subject and within .62 of a mile from the subject. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 2,806 to 3,186 square feet of living area. The dwellings were built from 1965 to 1971. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 462 to 600 square feet of building area. Comparable #5 has a shed. The comparables have improvement assessments ranging from \$160,772 to \$184,090 or from \$56.31 to \$58.09 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

---

<sup>1</sup> Some of the subject's property characteristics were gleaned from the property information sheet provided by the board of review, which not refuted by the appellant in rebuttal.

The parties submitted a total of fourteen equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, #5, #7 and #9 as well as board of review comparable #1 which are less similar to the subject in dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are overall more similar to the subject in location, age, dwelling size and some features. The eight comparables have improvement assessments ranging from \$164,090 to \$184,090 or from \$51.30 to \$57.78 per square foot of living area. The subject's improvement assessment of \$176,419 or \$56.91 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
