

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tony Agostinelli
DOCKET NO.: 23-01932.001-R-1
PARCEL NO.: 16-15-318-014

The parties of record before the Property Tax Appeal Board are Tony Agostinelli, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,636
IMPR.: \$202,533
TOTAL: \$249,169

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,583 square feet of living area. The dwelling was constructed in 1993 and is approximately 30 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 529 square foot attached garage. The property has an approximately 11,725 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located in the subject's assessment neighborhood and within 0.52 of a mile from the subject. The comparables are improved with 2-story dwellings ranging in size from 3,164 to 3,945 square feet of living area. The homes range from 38 to 45 years old. Each comparable has a basement with three having finished area, central air conditioning, one

fireplace, and a garage that ranges in size from 440 to 550 square feet of building area. The comparables have improvement assessments ranging from \$164,419 to \$204,492 or from \$50.57 to \$53.28 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$249,169. The subject property has an improvement assessment of \$202,533 or \$56.53 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the subject's assessment neighborhood and within 0.41 of a mile from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 3,264 to 3,878 square feet of living area. The homes range from 24 to 40 years old. Each comparable has a basement with two having finished area, central air conditioning, one fireplace, and a garage that ranges in size from 528 to 713 square feet of building area. The comparables have improvement assessments ranging from \$189,896 to \$224,165 or from \$56.85 to \$62.69 per square foot of living area. Based on this evidence, the board of review requests no change to the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #5, and #6 as well as board of review comparables #3 and #4 which have basement finish, unlike the subject, and/or substantially differ from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2, #4, #7, #8, and #9 as well as board of review comparables #1 and #2 which are similar to the subject in location, design, age, dwelling size, and features. These comparables have improvement assessments ranging from \$171,274 to \$220,457 or from \$50.57 to \$58.18 per square foot of living area. The subject's improvement assessment of \$202,533 or \$56.53 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering the adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
