

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joyce Koenig
DOCKET NO.: 23-02023.001-R-1
PARCEL NO.: 09-34-402-001

The parties of record before the Property Tax Appeal Board are Joyce Koenig, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,469
IMPR.: \$148,958
TOTAL: \$194,427

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 3,176 square feet of living area. The dwelling was constructed in 1975 and is 48 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, an inground swimming pool and an 806 square foot garage. The property has a 42,430 square foot site and is located in Lake Barrington, Wauconda Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,651 to 3,453 square feet of living area. The dwellings were built from 1969 to 1989 and have basements. Each comparable has central air conditioning, one

or two fireplaces, and a garage ranging in size from 624 to 957 square feet of building area. The comparables have improvement assessments ranging from \$102,229 to \$139,763 or from \$38.56 to \$42.80 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$194,427. The subject property has an improvement assessment of \$148,958 or \$46.90 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on two equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 1-story dwellings of wood siding or brick exterior construction with 2,892 or 3,111 square feet of living area. The dwellings are 44 or 45 years old and have basements, one of which has finished area. Each comparable has central air conditioning, one or three fireplaces and a garage with 756 or 792 square feet of building area. Comparable #1 has an inground swimming pool. The comparables have improvement assessments of \$128,929 and \$165,053 or \$44.58 and \$53.05 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains six equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to differences in style and/or dwelling size when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables which are similar 1-story dwellings that are also similar in location, age, dwelling size and most features when compared to the subject. However, board of review comparable #2 lacks an inground swimming pool and finished basement area, suggesting upward adjustments are necessary to make it more equivalent to the subject. These comparables have improvement assessments of \$128,929 and \$165,053 or \$44.58 and \$53.05 per square foot of living area. The subject's improvement assessment of \$148,958 or \$46.90 per square foot of living area is bracketed by the two best comparables in the record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
