

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Rixie
DOCKET NO.: 23-02164.001-R-1
PARCEL NO.: 08-06-404-026

The parties of record before the Property Tax Appeal Board are Daniel Rixie, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,971
IMPR.: \$48,222
TOTAL: \$56,193

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,026 square feet of living area. The dwelling was constructed in 1964 and is approximately 59 years old. Features of the home include an unfinished basement and a garage containing 1,020 square feet of building area. The property has a site with approximately 16,523 square feet of land area and is located in Beach Park, Waukegan Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine suggested equity comparables located within .43 of a mile from the subject and within the same assessment neighborhood code as the subject property. The comparables are improved with 1-story dwellings of wood frame exterior construction ranging in size from 1,032 to 1,104 square feet of living area. The dwellings range in age from 60 to 71 years old. Seven comparables each have an unfinished basement. Each comparable has a garage ranging in size from 308 to 750 square feet of building area. One comparable has central air conditioning and one comparable has one fireplace. The comparables

have improvement assessments that range from \$35,850 to \$49,720 or from \$33.79 to \$46.42 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$46,514 or \$45.34 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$61,755. The subject property has an improvement assessment of \$53,784 or \$52.42 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables located within .60 of a mile from the subject and within the same assessment neighborhood as the subject property. The comparables are improved with 1-story dwellings of brick, wood siding or aluminum siding exterior construction ranging in size from 1,047 to 1,122 square feet of living area. The dwellings range in age from 51 to 68 years old. Each comparable has a basement, one with finished area, central air conditioning, and a garage ranging in size from 528 to 960 square feet of building area. One comparable has one fireplace. The comparables have improvement assessments ranging from \$56,771 to \$60,834 or from \$54.17 to \$54.85 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted twelve suggested comparables for the Board's consideration. The Board has given less weight to appellant's comparable #6 as well as the board of review comparables due to their feature of central air conditioning, an amenity the subject lacks. The Board has given reduced weight to appellant's comparables #1 and #2 due to their lack of a basement foundation when compared to the subject and other comparables in the record.

The Board finds the best evidence of assessment equity to be appellant's comparables #3, #4, #5, #7, #8 and #9. The Board finds that these comparables are most similar to the subject in location, design, age, dwelling size and features. These most similar comparables have improvement assessments ranging from \$44,720 to \$49,720 or from \$40.51 to \$46.42 per square foot of living area. The subject's improvement assessment of \$53,784 or \$52.42 per square foot of living area, falls above the range of the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
