

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elyse Magill
DOCKET NO.: 23-02897.001-R-1
PARCEL NO.: 15-25-105-005

The parties of record before the Property Tax Appeal Board are Elyse Magill, the appellant, by attorney Brianna L. Golan, of Golan Christie Taglia LLP in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,486
IMPR.: \$99,369
TOTAL: \$161,855

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,484 square feet of living area. The home was built in 1985. Features include an unfinished basement, central air conditioning, one fireplace, and a 660 square foot garage. The property has an approximately 47,045 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends assessment inequity concerning the improvement assessment as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and from 0.62 of a mile to 1.14 miles from the subject. The comparables are improved with 1-story, 1.5-story, or 2-story homes with brick or wood siding exterior construction ranging in size from 2,343 to 3,193 square feet of living area. The dwellings were built from 1970 to 1977. Three

comparables each have a crawl space foundation and one comparable has a concrete slab foundation. Each home has central air conditioning and a garage that ranges in size from 462 to 1,150 square feet of building area. Two comparables have either one or two fireplaces. The comparables have improvement assessments ranging from \$70,300 to \$109,001 or from \$28.80 to \$34.14 per square foot of living area. Based upon this evidence, the appellant requested the subject property's improvement assessment be reduced to \$76,805 or \$30.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,855. The subject property has an improvement assessment of \$99,369 or \$40.00 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and from 0.39 of a mile to 1.025 miles from the subject. The comparables are improved with 2-story homes of frame exterior construction ranging in size from 2,338 to 2,553 square feet of living area. The dwellings were built from 1974 to 1978. The homes each have a basement, three of which have finished area. Four comparables each have central air conditioning. Each comparable has either one or two fireplaces and a garage that ranges from 477 to 660 square feet of building area. The comparables have improvement assessments ranging from \$93,997 to \$105,424 or from \$39.48 to \$41.29 per square foot of living area. Based upon this evidence, the board of review requested confirmation of the subject property's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparables for the Board's consideration. The Board gives less weight to the appellant's comparables due to substantial differences from the subject in foundation type, age, dwelling size, and/or design. The Board also gives less weight to board of review comparables #2, #3 and #5 which have basement finish, unlike the subject.

The Board finds the best evidence of assessment equity to be the board of review comparables #1 and #4 which are similar to the subject in location, design, age, dwelling size, and most features. The comparables have improvement assessments of \$96,171 and \$102,355 or \$39.48 and \$40.94 per square foot of living area, respectively. The subject's improvement assessment of \$99,369 or \$40.00 per square foot of living area is bracketed by the two best comparables in this record. After considering appropriate adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
