

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Wszolek
DOCKET NO.: 23-05723.001-R-1
PARCEL NO.: 08-20-416-037

The parties of record before the Property Tax Appeal Board are Matthew Wszolek, the appellant, by attorney Ryan Schaeftges, of the Law Office of Ryan Schaeftges, P.C. in Wheeling; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,460
IMPR.: \$183,940
TOTAL: \$252,400

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story with part 1-story dwelling of frame exterior construction with 3,723 square feet of living area. The dwelling was constructed in 1986. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 789 square foot garage. The property has an approximately 11,949 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within two blocks of the subject property. The comparables have sites that range in size from 11,283 to 13,050 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 3,807 to 4,795 square feet of living area. The dwellings were built from 1985 to 1988. Each comparable has a basement with finished area, central air conditioning and a garage

ranging in size from 462 to 805 square feet of building area. The properties sold from June 2021 to April 2023 for prices ranging from \$715,000 to \$882,500 or from \$184.05 to \$187.81 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$227,110 which reflects a market value of \$681,398 or \$183.02 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$252,400. The subject's assessment reflects a market value of \$757,276 or \$203.40 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.¹

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.11 of a mile from the subject property. The comparables have sites that range in size from 11,670 to 12,687 square feet of land area and are improved with 2-story with part 1-story dwellings of frame exterior construction ranging in size from 3,436 to 3,706 square feet of living area. The homes were built from 1985 to 1988. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning, one or two fireplaces and a garage ranging in size from 648 to 713 square feet of building area. The properties sold from June 2021 to December 2022 for prices ranging from \$739,000 to \$824,000 or from \$205.62 to \$222.34 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparables #2 and #4 along with board of review comparables #3 and #4 which differ from the subject in dwelling size and/or sold in 2021, less proximate to the January 1, 2023 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparables #1 and #3 as well as board of review comparables #1 and #2 which are more similar to the subject in location, age, dwelling size and most features. These best comparables sold from April 2022 to April 2023 for prices ranging from \$715,000 to \$824,000 or from \$185.68 to \$222.34 per square foot of living area, including land. The subject's assessment reflects a market value of \$757,276 or \$203.40

¹ Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill.Admin.Code Sec. 1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2023.

per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
