

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Stagner
DOCKET NO.: 23-20286.001-R-1
PARCEL NO.: 15-12-317-007-0000

The parties of record before the Property Tax Appeal Board are Matthew Stagner, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,888
IMPR.: \$41,712
TOTAL: \$48,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-and-a-half-story dwelling of masonry construction, approximately 85 years-old, with 2,162 square feet of living area. The property is on a 6,407 square foot site in River Forest, River Forest Township, Cook County. The subject is classified as 2-04 under the Cook County Real Property Assessment Classification Ordinance. Features of the home include one full and one half bathroom, a full basement and a two-car garage.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on April 7, 2023, for \$486,000 or \$224.79 per square foot of living area. The appellant indicates that the sale did not occur between family members, was sold by a realtor and was advertised for sale with the multiple listing service. In addition, the appellant submitted copies of the Settlement Statement listing commissions paid to

both the buyer's and seller's real estate brokerages and fees paid to both party's attorneys. The appellant also submitted a copy of the board of review's written decision reflecting its final total assessment for the subject property of \$53,999. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$48,600.

The board of review submitted its "Board of Review Notes on Appeal" stating the total valuation assessment for the subject property as \$53,999 with an improvement assessment of \$47,112. The valuation assessment reflects a market value of \$471,120 when applying the 10% Cook County Real Estate Classification Ordinance assessment for class two properties, or \$217.91 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four sales comparables. Three of the comparable properties are one-and-a-half-story buildings of frame and masonry or stucco construction and one is a single-story building of stucco construction. The comparables range in age from 79 to 106 years-old and range in living area from 1,917 to 2,147 square feet. The comparables sold between September 17, 2020, and September 13, 2022, with sales prices ranging between \$550,000 and \$700,000 or \$263.16 to \$365.15 per square foot of living area. The assessed values of the sales range from \$53,999 to \$63,999 and the assessment per square foot ranges from \$22.23 to \$28.85.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did meet* this burden of proof.

The Board finds the best evidence of market value to be the purchase of the subject property on April 7, 2023, for \$486,000. The board of review has not refuted the arms-length nature of the sale which occurred between unrelated parties, was transacted with each party represented by their own broker and attorney and was advertised for sale with the multiple listing service for twenty-eight weeks. Based on this record the Board finds that the subject property had a market value of \$486,000. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject's assessment is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
