

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Kinser
DOCKET NO.: 23-20438.001-R-1
PARCEL NO.: 11-32-330-024-0000

The parties of record before the Property Tax Appeal Board are Paul Kinser, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,480
IMPR.: \$45,009
TOTAL: \$52,489

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2023 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story structure of masonry construction, approximately 105 years-old, containing two apartment units with 2,936 square feet of living area. The property is on a 3,562 square foot site in Rogers Park Township, Chicago, Cook County. The subject is classified as 2-11 under the Cook County Real Property Assessment Classification Ordinance. Features of the building include two apartments, two full bathrooms and one half bathroom, a full basement and a two-car garage.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with varying degrees of similarity to the subject property. The properties offered by the appellant are two-story class 2-11 buildings of masonry construction ranging in age from 96 to 109 years-old and ranging in size from 2,984 to 3,254 square feet of living area. All contain two apartment units, two full

bathrooms and full basements. One of the comparables also has a half bathroom. Two have two-car garages. Three of the comparables are located 0.2 miles from the subject property and one is 0.1 miles from the subject. Based on this evidence, the appellant is requesting an assessment amount of \$49,817.

The board of review submitted its “Board of Review Notes on Appeal” stating the total assessment for the subject property as \$52,489 including an improvement assessment of \$45,009 or \$15.33 per square foot.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. The properties offered by the board of review are two-story buildings of masonry construction. Three are 107 years-old and one is 105. The comparables range in size from 2,496 to 3,290 square feet of living area. Two have two full bathrooms, one has two full bathrooms and a half bathroom and one has three full bathrooms and a half bathroom. All have full basements. Two of the comparables have two-car garages and one has a one-car garage. The board of review reports that all of its comparables are located on the same block as the subject property.

Conclusion of Law

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, “be levied uniformly by valuation ascertained as the General Assembly shall provide by law.” Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4th Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by the appellant by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant **did not** meet this burden of proof and a reduction in the subject's assessment **is not** warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 and the board of review's comparables #1, #3 and #4. These properties are similar to the subject in terms of living area, age, construction and proximity. In contrast, the appellant's comparables #1 and #2 and the board of review's comparable #2 lack garages. The Board finds that these comparables are afforded less weight based on this factor. The best evidence comparables have improved assessed values ranging from \$14.55 to \$16.97 per square foot. The subject property's improvement assessment of \$15.33 per square foot falls within the range

established by the best comparables in the record. Based on this record the Board finds the appellant **did not** demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
